Sexuality Gods Gift:

Sexuality: God's Gift Anne Krabill Hershberger, 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Connecticut *Our Power to Love* Ann Nerbun, Ruth S. Taylor, Richard M. Hogan, 1990-12-01 *Sexuality, God's Gift for Adolescents* Ann Cannon, 1993 *Sexuality* Jane P. Mitcham, Carol L. Weiser, 1985 *Sexuality - God's Gift, Pastoral Letter* Rev. Francis J. Mugavero, 1976 *Human Sexuality* John C. Dwyer, 1988 Sexuality is both fascinating and troubling It seems to promise that transcendence of ourselves which is our deepest human desire and yet it makes us painfully aware of our limits and of the supreme difficulty of finding ourselves in the process of losing ourselves The relationship of Christianity to sexuality has been particularly troubled but this book is an attempt to reflect on the phenomenon of sexuality from the standpoint of what is central to Christianity that is the view of God and of the human condition which became real in the words and in the life of Jesus of Nazareth The book tries to answer this question if we take Christianity seriously how do we think about our sexuality and what do we do about it This book draws on the ethical reflections of many thinkers and it draws on much work in psychology but its primary focus is either that of ethics or of psychology The book intends to be theology the attempt to talk intelligently about God and the relationship of God to every area of human existence and especially to those aspects of life which are near the center of the human personality and foremost among such is sexuality *Fulfilled Sexuality* Harold Wahking, Gene Zimmerman, 1994 Everyone has sexual problems says psychotherapist Harold Wahking and pastor Gene Zimmerman as they discuss the bases of fulfilled sexuality Our sexual problems are not highly unusual of something to be ashamed of or kept secret Rather they are problems to be faced and coped with The authors apply Scripture and psychological insights to the nature of sexuality as integral to personhood and help parents instill a healthy sexual identity in their children They show that sexual intimacy is a godly delight of marriage as couples become aware of their own sexual issues and learn the dynamics of male female communication Singles likewise can find personal fulfillment and godly sexual identity Drawing on long experience in their respective areas of counseling practice the authors approach such issues as sexual addiction homosexual feelings abuse and common problems related to marriage or singleness *Sacred Marriage*
