Sexuality Spirituality:

The Erotic Word : Sexuality, Spirituality, and the Bible NY David M. Carr Professor of Old Testament Union Theological Seminary, 2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God's image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life *The Erotic Word* David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped **Sexuality & Spirituality** John Moore, 1981 **Sex and the Soul** Donna Freitas, 2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet

compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor *The God of Sex* Peter Jones,2006 A placard carried in the San Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God s clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool **The Spirituality of Sex** J. Harold Ellens,2009-03-20 This book describes the psychospiritual facts of life about the pervasiveness of sexuality in all aspects of human life The energy developed by our libido is the dynamic source of all the forces that shape our experience life motives thought feelings desires and spiritual longings No facet of life is untouched or unshaped by this dynamo Whether we are sitting in church at worship in a meeting for business in a party for pleasure we are always aware of the gender of those who are around us and of their level of sensuality as it impacts us If we are not aware of that some wounding has produced an impairment in us that has forced us to repress the awareness inappropriately This work is not a how to manual so much as a description of the deep meaningfulness that can be found in the spirituality of sex It is designed to enlighten us about ourselves to give names to what we all feel all the time and do not know quite how to describe It is about savoring the spiritual flavor of sexual play and sexual union This is a book for everyone from the inquiring adolescent to the mature adult looking for what is missing in sex and relationships This is not a book mainly for Christians or Jews It is about the generic human spirituality in every one of us true believer and atheist alike It is about being human more fully and with greater satisfaction Human spirituality is best defined as our irrepressible hunger and quest for meaning in all aspects of life Human sexuality is best defined as our irrepressible hunger and quest for union with other persons and the meaning of life found in the wholeness that such union brings Sexuality and spirituality are not two different things They are two names for the same thing the irrepressible human quest for meaning fulfillment union and wholeness They are not two different forces nor are they in any way at odds with one another as they have been made to seem in the polarizing attitudes about sexuality and spirituality popular in human society thanks to the excessive and negative moralization of sex Here Ellens sheds new light on the interplay of sexuality and spirituality through the use of anecdotes observation and thoughtful analysis *The Spirituality of Sex* Michael Schwartzentruber,2009 In *The Spirituality of Sex* Michael Schwartzentruber Lois Huey Heck

Mary Millerd and Charlotte Jackson embrace a more holistic possibility With evocative prose and beautiful images they add their voices to an ever growing chorus inviting people to recognize sex and sexuality as inherently sacred as a divine way of being as a potential window and way to know God They show the role sexuality and the erotic has played in religion and spirituality from the dawn of human history to ancient Greece and Rome to the evolution of the world s great religions

The Erotic Word David McLain Carr,2003 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God s image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life *Moving Heaven and Earth* Lucy Goodison,1992 Goodison challenges the dualistic mind body and spirit matter splits that determine and limit the Western worldview pointing the way to political responsibility based on spiritual awareness She offers practical exercises for use by individuals and groups to deconstruct and reconstruct their symbol systems which link individual to social life *Human Sexuality Study Guide* Tina S. Miracle,Andrew W. Miracle, Jr.,Roy F. Baumeister,2002-08-20 Sacred Sexuality Georg Feuerstein,2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs *Exploring Sexuality and Spirituality* ,2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes

one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge

A Sexual Life, a Spiritual Life Pat Buckley, 2005 In this candid at times raw account of a life of turmoil dissident Bishop Pat Buckley reveals how his battles with Rome were paralleled by an internal battle between his own sexuality and his deeply held spirituality Sexually abused at the age of six by a trusted family friend Pat Buckley went on to join the priesthood eventually being consecrated as a Bishop in controversial circumstances in 1998 Throughout his life he struggled with his homosexuality finally coming out in 1999 *A Sexual Life A Spiritual Life* is not just a confession of Pat Buckley's sexuality however He uses his own experiences to delve into the deep connection between sex and spirit quoting St Bonaventure's maxim that the mind's road to God always begins in the sexual appetite Further he is highly critical of the way in which the Catholic Church has for centuries separated sexuality from spirituality making sex a source of sin and shame thereby doing such terrible violence to the human soul The only way to restore peace to the human soul Bishop Buckley argues is to reconcile the sexual and the spiritual It is this reconciliation he says which has at last brought him peace in his own life and which the Church must face up to with compassion and honesty if it is to make peace with those it has alienated

The Secret History of Western Sexual Mysticism

Arthur Versluis, 2008-03-25 The first book to reveal the history of Western sexual mysticism Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions Gnosticism and the practices in early Christianity Arthur Versluis uncovers the secret line of Western sexual mysticism that like the Tantra of the East seeks transcendence or union with God through sexual practices Throughout antiquity and right into the present day sexuality has played an important if largely hidden role in religious traditions and practices This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism many discussed together here for the first time In the Mystery tradition of hieros gamos sacred marriage and the Gnostic tradition of spiritual marriage we see the possibility of divine union in which sexual union is the principal sign or symbol Key to these practices is the inner or archetypal union of above and below the intermingling of the revelatory divine world with the mundane earthly one Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine the esoteric teachings of
