Sexuality And War Literary Masks Of The Middle East:

Sexuality and War Evelyne Accad, 1992-05 In this text the author explores what she argues is an indissoluble link between war and sexuality She explores the connections among sexuality war nationalism pacifism violence love and power as they relate to the body the partner the family political ideologies and religion *Sexuality in the Arab World* Samir Khalaf, John Gagnon, 2014-05-13 Arab cultural discourse has been slow to respond to changing sexual behaviour The contributors to this collection pick up the slack ranging across such disciplines as literature history sociology and psychology Is Damascus the chastity capital of the Middle East where perceptions of wealth and class fuel female rivalries How do gay men cruise in Beirut How do young women in Tunis cope with both social pressures to become thin and family pressures to gain weight What do Lebanese creative writing students write about sexual practices versus public behaviour The fresh compelling research topics covered include masculinity and migration colonialism and sexual health fantasy and violence and domestic workers and sexual tensions Other people's sex lives have always been a source of fascination and nowhere more so than in the Middle East Ground breaking **New Statesman** **Blackness and Disability** Christopher M. Bell, 2012-02-01 Disability Studies diverge from the medical model of disability which argues that disabled subjects can and should be fixed to view disability as socially constructed much in the same way other identities are The work of reading black and disabled bodies is not only recovery work but work that requires a willingness to deconstruct the systems that would keep those bodies in separate spheres This pivotal volume uncovers the misrepresentations of black disabled bodies and demonstrates how those bodies transform systems and culture Drawing on key themes in Disability Studies and African American Studies these collected essays complement one another in interesting and dynamic ways to forge connections across genres and chronotopes an invitation to keep blackness and disability in conversation With an analysis of disability as a result of war studies of cognitive impairment and slavery in fiction representations of slavery and violence in photography deconstructions of illness cancer and AIDS narratives comparative analyses of black and Latina/o and black and African subjects analysis of treatments of disability in hip hop and commentary on disability blackness and war this volume shows that the historical lines of demarcation in this field are permeable and should be challenged **Sex and Desire in Muslim Cultures** Aymon Kreil, Lucia Sorbera, Serena Tolino, 2020-12-10 What have different ideas about sex and gender meant for people throughout the history of the Middle East and North Africa This book traces sex and desire in Muslim cultures through a collection of chapters that span the 9th to 21st centuries Looking at spaces and periods where sexual norms and the categories underpinning them emerge out of multiple subjectivities the book shows how people constantly negotiate the formulation of norms their boundaries and their subversion It demonstrates that the cultural and political meanings of sexualities in Muslim cultures as elsewhere emerge from very specific social and historical contexts The first part of the book examines how people constructed discussed and challenged sexual norms from the Abbasid to the Ottoman period The second part looks at literary

and cinematic Arab cultural production as a site for the construction and transgression of gender norms The third part builds on feminist historiography and social anthropology to question simplistic dichotomies and binaries Each of the contributions shows how understanding of sexualities and the subjectivities that evolve from them are rooted in the mutually constitutive relationships between gender and political power In identifying the plurality of discourses on desires the book goes beyond the dichotomy of norm and transgression to glimpse what different sexual norms have meant at different times across the Middle East
