## Sexuality Of Jesus:

Sexuality and the Jesus Tradition William Loader, 2005-02-03 Discourse related to sex excites passion and debate partly because sexuality is a central aspect of what it means to be human Following up on his recent book on sexuality in the Septuagint William Loader here explores what the Christian Gospels and related writings have to say about sexuality how they reflect the faith and social values of their day and what impact they've had on our own Sexuality and the Jesus Tradition is thorough in its investigation and compelling in its analyses Loader examines all of the passages that convey views about sexuality in the Gospels and other first century literature including the Gospel of Thomas and the influence in Paul of the Jesus tradition Among the interesting topics covered are attitudes concerning lust perspectives on marriage and divorce and views about celibacy Loader shows how despite the passing of two thousand years and massive social change these ancient texts contain common issues that we still grapple with today

**The Sexuality of Jesus** William E. Phipps, 1996 In 1970 William Phipps rocked Christianity with his controversial *Was Jesus Married The Distortion of Sexuality in the Christian Tradition* ushering in a generation of critical study of this sacrosanct subject The Sexuality of Jesus is the harvest of his research Carefully analyzing such subjects as celibacy sexuality and gender in first century Palestine Phipps suggests how Jesus' life and teaching undermined traditional attitudes toward women and the human body and how the Jesus of the Gospels can inform discussions of gender and sexuality today How does the Christian tradition of sexual renunciation reflect or distort biblical and Christian understandings of the body Does Jesus represent the full flowering of sexuality or its rejection How did women particularly Mary Magdalene view Jesus Addressing these and other questions Phipps seeks to release the pivotal personality of Jesus from the dehumanizing treatments found in much of the Christian tradition Unabashedly dealing with the most contentious of topics *The Sexuality of Jesus* is a fresh and provocative analysis of sexuality and religious faith

Was Jesus Married? William E. Phipps, 1986-02-28 *Intimate Jesus* Andrew Angel, 2017-05-18 *Intimate Jesus* is the first book to open up key questions about Jesus' experience of human sexuality and His attitude towards it in himself and others for a general audience Andrew Angel examines all the relevant sayings and actions of Jesus and others in the Gospels and explores their first century cultural context in order to better understand the historical Jesus as a fully rounded human being *Intimate Jesus* also explores the relationship between sexuality and spirituality based in scripture Andy Angel takes this complex subject and communicates it clearly in a way that can be understood by those without a theology degree but with an interest in theology

Sexuality in the New Testament William Loader, 2011-01-01 Communities of faith regularly turn to texts written two millennia ago to explore their questions about sexuality This book introduces readers to the key passages that must be examined when trying to understand what the New Testament says about sexual ethics *Sexuality and the Sacred* James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be

neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

**Sex and the Single Savior** Dale B. Martin, 2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ

**Christian Perspectives on Sexuality and Gender** Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles presents a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

*The New Testament on Sexuality* William Loader, 2012-09-13 This is the fifth and final installment of William Loader's authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco-Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted

*Sexuality and Spiritual Growth* Joan H. Timmerman, 1992 That the title of this book will attract some startle others and shock many is the best proof of how important a work Joan Timmerman has written It is a major exploration of sexuality as an embodiment of Christian values from the bestselling author of *Mardi Gras Syndrome*

**Religion & Sexuality** Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's

increasingly pluralistic yet strongly spiritual society      **Holy Sexuality and the Gospel** Christopher Yuan, 2018-11-20 From the author of *Out of a Far Country* which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all

**Queering Christ** Robert Goss, 2002 Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community **BOOK JACKET**      **Party of One** Joy Beth Smith, 2018-02-06 This book is bold and strong and unapologetic Unflinching even Joy Beth doesn't back down from those hard conversations that need to be happening not just in our churches but in our small groups our social circles our relationships Mandy Hale creator of *The Single Woman* and New York Times bestselling author Did you enter adulthood thinking marriage would naturally find you only to end up at a second cousin's wedding dodging yet another bouquet the night before you turned thirty Maybe you've started wondering is this the best the single life has to offer Joy Beth Smith says it's not The single life doesn't have to be the runner up version of

God's best. It doesn't have to leave you constantly waiting for real life to begin. Party of One offers a trade: let go of the tired lies weighing you down and turn toward truth. Understand that you don't have to be married to be wise. You don't have to be a mother to have supernatural love. You don't have to own a home to be hospitable. Singleness is not meant to be pitied, shamed, fixed, or even ignored. It is to be celebrated. God doesn't promise you a husband, but he does promise comfort, intimacy, and satisfaction. With humor, self-awareness, and a new perspective, Party of One delves into the insecurities and struggles of singleness and encourages you to find the good, the true, and the beautiful, to dive headfirst into community, and to stop pressing pause on a life you never expected.

**Question of Truth** Gareth Moore, 2003-06-19. Many Christians accept that homosexual acts are wrong on the authority of the Church. For many others, such teaching contradicts what they know to be the obvious truth. In this book, Gareth Moore closely and dispassionately examines the bases of Christian anti-gay arguments. Moore critically explores the language that we use to describe and define human sexuality and what this means for what we think we know about sex identity and morality. At the centre of this work is a thorough and revolutionary analysis of the Bible on homosexuality, posing such questions as: Is there a unified biblical teaching on sex or homosexuality? Are we misreading the Bible by applying modern thinking and terms? Must Christians accept Paul's supposed rejection of homosexuality when they do not follow all of his teaching, for example his low estimation of marriage (1 Cor 7)? For Moore, the criticism that gay practice is remote from Christian values is just as true of straight life. Gay Christians are often responsible and thoughtful moral agents, and to propose otherwise is both unreasonable and deeply disrespectful. It is a precondition of being heard that we listen, and in the end, the gospel can only be preached effectively by those who listen.
