Seymour Lipton Seymour Lipton, Eleanor Rait, 1988 **Seymour Lipton** Seymour Lipton, Gail Gelburd, Eleanor Rait, Hofstra Museum (Hempstead, N.Y.), 1988 **A Gift from the Heart** Joyce Henri Robinson, Robert Cozzolino, 2013 A Gift from the Heart documents in its entirety what is arguably one of the finest private collections of American art in the country Much of the book comprises thematic essays written by invited scholars who consider the broader sociohistorical context of American art and culture as they delve into the particulars of the collection *Paul Jenkins Retrospective* Gerald Nordland, 1971 **Depiction and Interpretation** Ziva Amishai-Maisels, 1993 A study of the extent to which the Holocaust as a major historical event influenced Western art Pt I pp 3 127 Depiction discusses many artists and their works Pt II pp 131 366 Interpretation analyzes primary Holocaust symbols biblical imagery the crucified Jew myths abstraction and Jewish identity Pp 367 509 contain notes to the above chapters and pp 511 546 give an extensive selected bibliography The plates contain reproductions of 560 paintings and drawings **The Coming of Age of American Sculpture**, 1990 Absence / Presence Stephen C. Feinstein, 2005-08-11 Since the liberation of the Nazi concentration camps and recognition of the Holocaust as a watershed event of the twentieth century if not in Western Civilization itself the capacity of art to represent this event adequately has been questioned As it analyzes a cross section of Holocaust art within the context of art history Absence Presence addresses the discussion head on and explores the interchange between media and horror The book's contributors include case studies from a broad spectrum of artists in North America Europe and Israel to examine some of the more dominant themes in these artists' work In addition to standard readings of Holocaust art the essays help illuminate the issues of eugenics the importance of art for Hitler and the Nazis the immense pilfering of art that occurred during World War II and the length and degree of the destruction of European Jewry which forced artists to reinvent their work through their own fate This selection of essays also provides alternative views to more typical readings on the Holocaust specifically to the story of the Shoah as a relevant art subject and to those who have a right to create art about the Holocaust These issues were the subject of an intense international debate based on an exhibition at New York's Jewish Museum titled *Mirroring Evil* The retrospective brought to art a series of contemporary perspectives that represented both the outer edges as well as mainstream postmodern thinking concerning representations of the Holocaust This book which covers the art from the late 1980s through 2002 includes the work of an array of scholars curators and artists from many countries It will be of great interest to art historians Jewish scholars and anyone interested in learning more about the art and artists of the Holocaust **The Picker Art Gallery Journal** Picker Gallery, 1996 A Concise History Of American Painting And Sculpture Matthew Baigell, 2018-02-23 This clear thorough and reliable survey of American painting and sculpture from colonial times to the present day covers all the major artists and their works outlines the social and cultural backgrounds of each period and includes 409 illustrations integrated with the text Although some determining factors in American art are

considered Matthew Baigell views the rich and diverse achievements of American art as the result of the efforts and talents of a pluralistic society rather than as fitting into a particular mold This edition includes corrections and revisions to the text an updated bibliography and 13 new illustrations

The Collected Poems of Frank O'Hara Frank O'Hara,1995-03-31 Available for the first time in paperback The Collected Poems of Frank O Hara reflects the poet s growth as an artist from the earliest dazzling experimental verses that he began writing in the late 1940s to the years before his accidental death at forty when his poems became increasingly individual and reflective
