have helped millions of people achieve success in their work and personal lives *Antarctic Destinies* Stephanie L. Barczewski, 2007 Focusing on the Antarctic explorers Robert Falcon Scott and Ernest Shackleton this book looks at some of their most heroic expeditions examining how and why their individual reputations have evolved over the course of the last century *Shackleton: Leadership Lessons from Antarctica* Arthur Ainsberg, 2010-04-28 The more I read about Shackleton the more I realized how truly heroic leadership is almost impossible to find in today's businesses Despite all the research and programs devoted to motivating employees most workers admit they feel disenfranchised in their daily work life In reading the Shackleton story it became clear to me that Shackleton's leadership lessons could benefit these very same people This book is my attempt to bring an extraordinary explorer's leadership lessons to those business leaders who on a daily basis must guide their workforce towards a common goal Because Shackleton's story is more than just one man fighting for survival in the Arctic region it is about coordinating teamwork under the most strenuous conditions Even in the fast paced and often unpredictable business world leaders can use Shackleton's strategies to make every team effort a successful one In this book are inspirational lessons from one of the greatest leaders of the 20th century lessons that can enrich both the way we work and the lives of those we lead *Shackleton* Jonathan Shackleton, John MacKenna, 2003 Drawing on family records diaries and letters this book aims to take us beyond the myth to Shackleton the man It relates the untold stories of Shackleton's upbringing in Kildare his time in the Merchant Navy his marriage and love affairs and his final fatal expedition on the Quest

Harvard Business Review, 2005 *Leading Peak Performance* Stephen Hacker, Marvin Washington, 2007 Organizations continue to undergo rapid intense change And the revolution currently underway calls for more than broad participation by organizational members A marked shift in leadership approach is required a shift to pack leadership The current models addressing leadership tend to focus on the energy and will of the head of the organization True strong leadership by the head of an organization is desired But the demands of sweeping social economic and performance cultural changes have moved the leadership focus throughout organizations This book outlines an effective leadership approach to create places of spirit and meaning Using the wild dogs of Africa as a metaphor a new and emerging leadership style is explored Pack leaders take on the characteristics of a pack of wild dogs Individual leaders of wild dog type organizations have a strong sense of self mastery coupled with humility They seek enlivened spirits in the workplace guiding the organization to a co created vision The authors also provide a collection of wild dog case studies at the end of some of the chapters to show how the concepts of pack leadership operate in a variety of organizational and team settings Once readers understand the analogy and develop an appreciation for the traits of the wild dog they will start seeing wild dogs everywhere

BOOK JACKET Leadership Skills and Wages Peter Joseph Kuhn, Catherine Weinberger, 2002 *Inspired People Produce Results: How Great Leaders Use Passion, Purpose and Principles to Unlock Incredible Growth* Jeremy Kingsley, 2013-03-05 *Inspired People Produce Results* offers a step by step path to effective leadership that is based on

passion purpose loyalty understanding patience communication integrity creating a culture of caring for both the physical and social work environments all of which lead to inspiration **Tree Care Industry** ,2008 Annual Editions Fred H.
