*Nightshades* Melissa F. Olson, 2016-07-19 A federal agent in Chicago is charged with stopping a vampire crime surge in this urban fantasy thriller series debut Humans have never been all that comfortable with the knowledge that they coexist with otherworldly bloodsuckers known as shades Yet life does go on with some adjustments The Bureau of Paranormal Investigations has special authority to apprehend shades or vampires as they re more widely known who break the law Alex McKenna is the new Special Agent in Charge of the BPI s Chicago office And he has plenty to keep him busy Children have been going missing and agents are routinely being slaughtered It s up to McKenna and some unlikely allies to get to the bottom of the problem and find the kids before it s too late

**Rise of the Shade** Lia Davis, 2023-06-26 Murder is a game that Randi Sanderson knows far too well but at least she s playing on the right side of the law Being half archangel and half vampire makes her one of Jacksonville Sheriff Office s best detectives and a suspect s worst nightmare When she arrives at the scene of her next case it s obvious this murder isn t a typical human crime of passion or rage As a powerful hybrid Randi can sense something is off and not just because the body was dumped in a church parking lot Luckily her many gifts include the ability to dig up dirt on anyone This time getting to work won t be so simple Surprised by a new partner Randi knows her life is about to get a little more complicated There s a reason she doesn t work with others To the outside world she s just a police detective and single mom but the reality is she has a secret identity to keep With the case taking a dark turn and her new partner obviously keeping secrets of his own the last thing Randi needs is more trouble So when the angelic and demonic factions start bidding to hire her to kill other supernatural beings just like herself she patently refuses The rogue hybrids known as The Shade are none of her concern and she isn t interested in becoming an assassin But when she finds herself in the middle of her own case with The Shade coming for her she must reconsider The half angel half demon miscreants won t stop until they re dead or they have what they truly want Randi s son

**Vladimir Nabokov** Paul D. Morris, 2011-09-03 Vladimir Nabokov 1899 1977 the eminent Russian American writer and intellectual is best known for his novels though he was also the author of plays poems and short stories In this important new work Paul D Morris offers a comprehensive reading of Nabokov s Russian and English poetry until now a neglected facet of his oeuvre Morris unique and insightful study re evaluates Nabokov s poetry and demonstrates that poetry was in fact central to his identity as an author and was the source of his distinctive authorial lyric voice After offering a critical overview of the multi staged history of the reception of Nabokov s poetry and an extensive analysis of his poetic writing Morris argues that Nabokov s poetry has largely been misinterpreted and its place in his oeuvre misunderstood Through a detailed examination of the form and content of Nabokov s writings Morris demonstrates that Nabokov s innovations in the realms of drama the short story and the novel were profoundly shaped by his lyric sensibility

*Switchback* Melissa F. Olson, 2017-10-24 The gritty urban fantasy series continues as Chicago agents investigate the disappearance of a suspected vampire in a bloody jailbreak Three weeks after

the events of Nightshades things are finally beginning to settle for Chicago's Bureau of Preternatural Investigations But the brief respite from the horror of the previous few weeks was never destined to last The team gets a call from Switch Creek IL where a young man has been arrested on suspicion of being a shade The suspect is held overnight pending DNA testing only to disappear in a terrifying massacre But is there more to the jailbreak than a simple quest for freedom **Nabokov's**

**Otherworld** Vladimir E. Alexandrov, 2014-07-14 A major reexamination of the novelist Vladimir Nabokov as literary gamesman this book systematically shows that behind his ironic manipulation of narrative and his puzzle like treatment of detail there lies an aesthetic rooted in his intuition of a transcendent realm and in his consequent redefinition of nature and artifice as synonyms Beginning with Nabokov's discursive writings Vladimir Alexandrov finds his world view centered on the experience of epiphany characterized by a sudden fusion of varied sensory data and memories a feeling of timelessness and an intuition of immortality which grants the true artist intimations of an otherworld Readings of *The Defense* *Invitation to a Beheading* *The Gift* *The Real Life of Sebastian Knight* *Lolita* and *Pale Fire* reveal the epiphanic experience to be a touchstone for the characters metaphysical insightfulness moral makeup and aesthetic sensibility and to be a structural model for how the narratives themselves are fashioned and for the nature of the reader's involvement with the text In his conclusion Alexandrov outlines several of Nabokov's possible intellectual and artistic debts to the brilliant and variegated culture that flourished in Russia on the eve of the Revolution Nabokov emerges as less alienated from Russian culture than most of his emigre readers believed and as less modernist than many of his Western readers still imagine Alexandrov's work is distinctive in that it applies an otherworld hypothesis as a consistent context to Nabokov's novels The approach is obviously a fruitful one Alexandrov is innovative in rooting Nabokov's ethics and aesthetics in the otherworldly and contributes greatly to Nabokov studies by examining certain key terms such as commonsense nature and artifice In general Alexandrov's study leads to a much clearer understanding of Nabokov's metaphysics D Barton Johnson University of California Santa Barbara Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Social and Ritual Life of the Ambo of Northern**
