Shadow Of The Hawk:

Shadow Hawk Alianne Donnelly,2023-09-22 Three years after humanity devolved into the bloodiest conflict in centuries the Shadow war is far from over Laura Belden is at the end of her rope Her community is under the tyrannical control of a sadistic madman and her people are depending on her to find a way out The last thing she needs is the boy she once loved showing up out of the blue as if he hadn t broken her heart and then disappeared right out of her life The problem is he might be the only one able to help After all Finnegan Rowe is an expert on all things Shadow courtesy of the twenty years he spent in their ranks Finn is coming home for one reason to beg Laura s forgiveness and start making amends for two decades of bloodshed in the name of a lie He knows it won t be easy Laura is hurt and angry and she has every right to be He s ready to accept whatever punishment she deems necessary What he doesn t anticipate is coming face to face with an enemy who threatens the lives of everyone who still matters to him The battle will cost him everything but a Hawk is trained to never leave a mission unfinished Turns out there is a way out of Shadow after all But it leads through blood **Ummagga Jātaka**

Holly Newhouse,2014-11-23 A person can have many soul mates in a lifetime but each person has only one twin soul in each life This belief taught to me by my grandmother is one that has always filled me with wonder As a young child she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls The legend is as old as creation itself It is said that as the creator was making human beings he was surrounded by souls to place in them The creator decided to take a single soul and split it in half creating twin souls He then took the two twin souls and touched them together as light as a butterfly s kiss The twin souls were then separated and placed respectively into man and woman The creator lightly touched them together so that when they meet one day they will recognize the other s soul as their twin This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever I am Sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother Shetawahki who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe
