

Shadows

By Maya Anthony

In the silent hush they slide,
Whispers of a world beside,
Darkened patterns on the floor,
Quiet secrets, nothing more.

Fleeting memories they trace,
Mirroring a hidden face,
Moving with a dancer's grace,
In life's ever-spinning mace.

Every sunbeam's gentle touch,
Creates shadows, dark and such,
Yet within their subtle rush,
Lies a world, so soft and hush.

Sara Teasdale's *Flame and Shadow* is a classic work of American poetry reimagined for modern readers **Shadow Poems** Thomas Krampf,1997 These small poems are a meditation and in some cases a search for a different dimension in space and time They are also a continuing dialogue with my alter ego sic And as each day morning noon and night through the seasons I am often accompanied by my shadow perhaps it is a living entity Introduction by Thomas Krampf p 1 **Conversation with a Shadow** Nirvana,2010-04-01 These selected poems are collected from Nirvana's three year long journal The theme runs itself under the umbrella of a Shadow Her feelings toward life are represented with conversations The stories find themselves in everyday life with compassion love and tolerance **The Screams of the Shadow** Olivia Conde,2021-03-09 My childhood life was very pleasant despite having a very religious family In life when one becomes a teenager he has his own visions and that is to meet his own self The most important thing is to not stop listening to your heart because the heart feels what is right when the mind is confused All the circumstances of life are always leading us toward learning Although there are hard times the best way to see more things is to know that it is impossible to separate the good from the bad for the great reason that everything is united I can only say that the moment we have our hearts connected with emotions it will be the great moment to understand that the roads in destiny have no escape Only understandings in difficult moments together with deep silences lead to successful exits which the best way to heal your mind and your body will follow you Life is not lost when we stop breathing life is lost when we stop being happy **Sound of a Shadow** Jani Johe Webster,1989 **Lights and shadows ... with other poems** John Richard Blackford,1870 *Shadow on the Sun* Robert Friend,2012-04-01 **Stirring the Sky** Shadow Poet Society,2004-02 The Shadow Poets Society began with a handful of writers looking to interact with and inspire other writers dedicated to their craft Now the society presents its first anthology of poems written compiled and edited by its members *Echoes and Shadows* George Gorin,1985 Soul Shadow Qazi Akash Ahmad,2019
