obituary to both name what has died civility language the future Mother's blue dress and the cultural impact of death on the living Whereas elegy attempts to immortalize the dead an obituary expresses loss and the love for the dead becomes a conduit for self expression In this unflinching and lyrical book Chang meets her grief and creates a powerful testament for the living When you lose someone you love the world doesn't stop to let you mourn Nor does it allow you to linger as you learn to live with a gaping hole in your heart Indeed this daily indifference to being left behind epitomizes the unique pain of grieving Victoria Chang captures this visceral heart stopping ache in *Obit* the book of poetry she wrote after the death of her mother Although Chang initially balked at writing an obituary she soon found herself writing eulogies for the small losses that preceded and followed her mother's death each one an ode to her mother's life and influence Chang also thoughtfully examines how she will be remembered by her own children in time *Time Magazine*      **Leonardo on Art and the Artist**
