Shadow Of The Mary Celeste:

The Shadow of the Mary Celeste Richard Rees,1995 An unravelling of the mystery of the Mary Celeste the brigantine found abandoned but completely seaworthy off the coast of Spain in December 1872 This factional account reveals a web of intrigue and deceit involving New York criminals and the political machinations of the Church of Rome *Jacques Tourneur* Chris Fujiwara,2015-05-07 At least three of director Jacques Tourneur s films Cat People I Walked with a Zombie and The Leopard Man are recognized as horror classics Yet his contributions to these films are often minimized by scholars with most of the credit going to the films producer Val Lewton A detailed examination of the director s full body of work reveals that those elements most evident in the Tourneur Lewton collaborations the lack of monsters and the stylized use of suggested violence are equally apparent in Tourneur s films before and after his work with Lewton Mystery and sensuality were hallmarks of his style and he possessed a highly artistic visual and aural style This insightful critical study examines each of Tourneur s films as well as his extensive work on MGM shorts 1936 1942 and in television What emerges is evidence of a highly coherent directorial style that runs throughout Tourneur s works Hotel Girl Anne Worboys,1999 Julie Creighton discovers the awful truth about Martin Wingate the man she loved Humiliated and betrayed she accepts a friend s offer of sanctuary at a villa overlooking the Island of Capri but her respite is rudely shattered by the sudden arrival of Greg Strathallan Under his persuasive influence Julie slowly begins to recover and realizes she has been used as a bargaining chip in an arranged merger between two powerful hotel empires Then Julie s father suffers a heart attack and she must fight to save the business Hammer Complete Howard Maxford,2018-12-31 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution Signs of Life John Ecko,2009-02-01 Signs of Life is a unique collection of visual concrete poems that stretch the imagination taking the reader on a journey beneath the surface of man From love to hate politics to religion the beautiful to the macabre this book explores the many footprints left by the human race for the better and sometimes the worse To contact this author please feel free to visit John s site at eckovision wordpress com **Aufbruch ins Ungewisse: Lexikon [Bio-, Filmografien].
