Elves: Beyond the Mists of Katura James Barclay, 2013-05-16 Thousands of years ago the elves were enslaved by the Wytch Lords Murdered in their thousands worked to death in slave gangs and divided against themselves the wounds inflicted by man run deep and elves have very long memories Two of them Auum and Takaar led the rise against their enslavers and united their people against men in order to free their nation Now Calaius is at peace but that doesn't mean their nation is safe Men need their help The Wytch Lords have rallied men's magic has grown more powerful and their politics have become altogether more dangerous Especially now one of the mages has created a spell called Dawnthief which has the potential to destroy all living things on the planet All four magical colleges are fighting to seize it and in the background the Wytch Lords have schemes of their own Schemes which involve crushing the elven nation for good Whoever seizes the spell it places the elves in tremendous danger But can Auum and Takaar overcome their differences and work together to save Calaius And even if they can is it not already too late Find out more on his website www.jamesbarclay.com or you can follow barculator on Twitter

Elves: Rise of the TaiGethen James Barclay, 2012-02-16 THE ELVES ARE ENSLAVED Calaius is occupied by an implacable relentless enemy The great elven cities are little more than prison camps Elven slaves are forced to destroy their beloved rainforest to harvest timber for their masters The enemy has no mercy no honour and little skill in battle The enemy is Man Those few elves who remain free are fragmented in squabbling factions and they must unite before they can take a stand against Man Many believe that the battle is already lost but Auum is not one of them He knows Men's numbers are great but their tactics are weak he knows Men think the Elves are already beaten he is

convinced that his people must fight now or see their race destroyed Takaar disagrees He believes Elven salvation lies in unlocking their magic not in fighting pitched battles against Man He is determined to save his people too but his tactics are entirely different and if some Elves must die now to ensure Calaius will be free of Man in the future it s a sacrifice he is willing to make The Elves must choose their sides Whatever they decide victory will win their freedom and failure will mean extermination *The Ultimate Encyclopedia of Fantasy* David Pringle,Tim Dedopulos,2021-09-30 This essential reference book details everything the novice needs to know about the genre and everything the well read fan is calling out for Lavishly illustrated and expertly informed it is edited by Tim Dedopulos and David Pringle editor and co founder of the internationally acclaimed Interzone magazine and features forewords by legendary authors Terry Pratchett and Ben Aaronovitch They have assembled a team of expert contributors to compile a visually stunning informative and fascinating guide to the world of fantasy from its origins and early trailblazers to the cultural phenomena of today s mega fantasy properties Book Review Index ,2004 Every 3rd issue is a quarterly cumulation Ravensoul James Barclay,2011-08-02 Death cannot separate them This is The Raven older wiser some returned from the grave Grieving they seek nothing but rest from conflict something the world will not grant them But they remain The Raven still answering when the call comes still the force most likely to survive and bring the world with them and still willing to die so that those they love can live The Writers Directory ,2013
