Ellis,2024-12-10 Lyra the celebrated bard of Aethel is lost Not in body but in soul shattered across the fractured realities of the Mirrorlands Each shard of her being reflects a different life Elara the sun kissed weaver of starlight Lysandra the emerald scaled warrior Lilith the cunning spy whispering secrets in obsidian towers These echoes of past lives are not just memories they are a symphony of skills and the unsettling weight of unremembered sins all coalescing around the legendary Shadowglass Driven by a haunting melody Lyra embarks on a desperate quest to reunite the shards of this mythical artifact each one a key unlocking a past life and its forgotten powers But her pursuit draws the attention of those who covet the Shadowglass for their own ends Joseph Townsend a spectral knight bound by an ancient oath hunts her relentlessly believing the artifact s reunification will unravel the very fabric of existence Diana Nguyen a sorceress whose power flows with the shifting realities sees the Shadowglass as a tool to reshape the Mirrorlands in her own twisted image turning Lyra s

cherished memories into nightmarish traps Amidst these dangers a flicker of hope emerges in Ethan Cline a scholar haunted by a forgotten connection to Lyra He understands the Shadowglass s true nature a prison for a power beyond comprehension and warns her that some memories are best left undisturbed But as Lyra delves deeper each recovered shard reveals not only forgotten skills but also the darkness within her past lives The warrior s ruthlessness the spy s betrayals these revelations force Lyra to confront the fragmented labyrinth of her own soul Is she a hero a villain or something in between In the spectral ruins of Aethel Lyra s forgotten home the symphony of her fractured selves clashes with the unwavering duty of the spectral knight and the manipulative ambition of the sorceress The Shadowglass pulsates with a dangerous energy threatening to tear the Mirrorlands asunder Here amidst the echoing silence Lyra must make a choice reclaim her full power and risk unleashing unimaginable destruction or embrace the imperfect harmony of her fractured selves and forge a new path a new melody in the shattered symphony of existence Can she find balance in the fragments or will the lament of Shadowglass become the lullaby of a dying world

LYCAN'S LOCKET Julie H. Perry, The moonlight caught the silver of the cuffs I was cornered captured not by one but by a trio of rival alphas each more dominant and breathtakingly

dangerous than the last Their leader Elias offered a cruel choice Join our pack or face the council Serving them was pure torture especially when they were my sworn enemies and my fated mates Their powerful presences surrounded me a constant intoxicating battle of wills I couldn't escape We fought our undeniable attraction for months until one night our control finally broke But the morning after their cold dismissal cut deeper than any blade and I fled with a secret You're a weakness we can't afford Their cruel words haunt me Now I've built a new life stronger and more independent than ever So why are the three men who cast me out now at my doorstep begging for my forgiveness a silver locket a symbol of my pack's stolen legacy in their hands I don't have time to dwell on their sudden change of heart My unborn child carries their blood and the ancient curse haunting my family is growing stronger The only way to save our baby is to face the men I swore I'd never see again and unravel the truth behind their betrayal
