ARDEN CRITICAL COMPANIONS

SHAKESPEARE
AND
COMEDY

R. W. Maslen

Shakespeare And Comedy Arden Critical Companions

Michael Dobson, Stanley Wells

Shakespeare And Comedy Arden Critical Companions:

Shakespeare and Comedy Robert W. Maslen, 2004 Rather than focusing on the plays most commonly classified as comedies Robert Maslen traces Shakespeare's use of comedy throughout all his plays by demonstrating the use of the comic mode when representing commoners and court entertainers or as a medium exploited by pranksters dissidents and rebels

Shakespeare And Comedy Robert Maslen, 2014-03-20 Comedy was at the centre of a critical storm that raged throughout the early modern period Shakespeare's plays made capital of this controversy In them he deliberately invokes the case against comedy made by the Elizabethan theatre haters They are filled with jokes that go too far laughter that hurts its victims wordplay that turns to swordplay and aggressive acts of comic revenge Through a detailed study which considers tragedies and histories as well as comedies Maslen contends that Shakespeare's use of the comic mode is always calculatedly unsettling and that this is part of what makes it pleasurable *Shakespeare And Elizabethan Popular Culture* Neil

Rhodes, Stuart Gillespie, 2014-05-13 While much has been written on Shakespeare's debt to the classical tradition less has been said about his roots in the popular culture of his own time This is the first book to explore the full range of his debts to Elizabethan popular culture Topics covered include the mystery plays festive custom clowns romance and popular fiction folklore and superstition everyday sayings and popular songs These essays show how Shakespeare throughout his dramatic work used popular culture A final chapter which considers ballads with Shakespearean connections in the seventeenth century shows how popular culture immediately after his time used Shakespeare *Emotion and the Self in English*

Renaissance Literature Paul Joseph Zajac, 2022-12-22 This book offers the first full length study of early modern contentment the emotional and ethical principle that became the gold standard of English Protestant psychology and an abiding concern of English Renaissance literature Theorists and literary critics have equated contentedness with passivity stagnation and resignation However this book excavates an early modern understanding of contentment as dynamic protective and productive While this concept has roots in classical and medieval philosophy contentment became newly significant because of the English Reformation Reformers explored contentedness as a means to preserve the self and prepare the individual to endure and engage the outside world Their efforts existed alongside representations and revisions of contentment by authors including Sidney Spenser Shakespeare and Milton By examining Renaissance models of contentment this book explores alternatives to Calvinist despair resists scholarly emphasis on negative emotions and reaffirms the value of formal concerns to studies of literature religion and affect **Writing Robert Greene** Kirk Melnikoff, Edward Gieskes, 2016-02-17 Robert

Greene contemporary of Shakespeare and Marlowe and member of the group of six known as the University Wits is the subject of this essay collection the first to be dedicated solely to his work Although in his short lifetime Greene published some three dozen prose works composed at least five plays and was one of the period's most recognized even notorious literary figures his place within the canon of Renaissance writers has been marginal at best Writing Robert Greene offers a

reappraisal of Greene's career and of his contribution to Elizabethan culture. Rather than drawing lines between Greene's work for the pamphlet market and for the professional theatres, the essays in the volume imagine his writing on a continuum. Some essays trace the ways in which Greene's poetry and prose navigate differing cultural economies. Others consider how the full spectrum of his writing contributes to an emergent professional discourse about popular print and theatrical culture. The volume includes an annotated bibliography of recent scholarship on Greene and three valuable appendices presenting apocrypha, edition information, and editions organized by year of publication.

Archiv für das Studium der neueren Sprachen und Literaturen, 2009. Vols. for 1858 include Sitzungen der Berliner Gesellschaft für das Studium der neueren Sprachen.

Shakespeare's Essays Platt, Peter G. Platt, 2020-07-31. Argues that the *Essays* of Montaigne were a crucial factor in the composition of later Shakespearean drama. A new way of accounting for the different sorts of plays that Shakespeare wrote later in his career. A detailed history of the literary critical interest in the Montaigne-Shakespeare connection from the eighteenth century to the present day. Case studies that through sustained close readings of Montaigne's essays and Shakespeare's plays shows the shared concerns of the authors. A new approach that differs from the more typical method of looking merely for verbal echoes, resulting in a deeper, richer sense of the way that Shakespeare's reading of Montaigne shaped his writing. In this revisionist study, Peter G. Platt provides a detailed history of the literary critical interest in the Montaigne-Shakespeare connection from the eighteenth century to the present day. Through sustained close readings of Montaigne's essays and Shakespeare's plays, Platt explores both authors' approaches to self-knowledge and form that stress fractures, interruptions, and alternatives. While the change in monarchy, the revived interest in judicial rhetoric, and the alterations in Shakespeare's acting company helped shape plays such as *Measure for Measure*, *King Lear*, and *The Tempest*, this book contends that Shakespeare's reading of Montaigne is an under-recognized driving force in these later plays.

The Merry Wives of Windsor Evelyn Gajowski, Phyllis Rackin, 2014-09-19. *The Merry Wives of Windsor* has recently experienced a resurgence of critical interest. At times considered one of Shakespeare's weaker plays, it is often dismissed or marginalized; however, developments in feminist, ecocritical, and new historicist criticism have opened up new perspectives, and this collection of 18 essays by top Shakespeare scholars sheds fresh light on the play. The detailed introduction by Phyllis Rackin and Evelyn Gajowski provides a historical survey of the play and ties into an evolving critical and cultural context. The book's sections look in turn at female community, female agency, theatrical alternatives, social and theatrical contexts, desire, sexuality, nature, and performance to provide a contemporary critical analysis of the play.

[The Greenwood Companion to Shakespeare: The comedies](#) Joseph Rosenblum, 2005. Among the most enjoyed and performed plays in the world, Shakespeare's comedies capture the spirit of his age and offer students a wealth of information about his era.

Twelfth Night: A Critical Reader, 2013-11-21. *Twelfth Night* is the most mature and fully developed of Shakespeare's comedies and, as well as being one of his most popular plays, represents a crucial moment in the development of his art. Assembled by leading scholars

this guide provides a comprehensive survey of major issues in the contemporary study of the play Throughout the book chapters explore such issues as the play's critical reception from John Manningham's account of one of its first performances to major current commentators like Stephen Greenblatt the performance history of the play from Shakespeare's day to the present and key themes in current scholarship from issues of gender and sexuality to the study of comedy and song Twelfth Night A Critical Guide also includes a complete guide to resources available on the play including critical editions online resources and an annotated bibliography and how they might be used to aid both the teaching and study of Shakespeare's enduring comedy *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur*, 2007 Notes and Queries, 2006 A Companion to Shakespeare's Works, Volume III Richard Dutton, Jean E. Howard, 2005-08-26 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's comedies contains original essays on every comedy from *The Two Gentlemen of Verona* to *Twelfth Night* as well as twelve additional articles on such topics as the humoral body in Shakespearean comedy Shakespeare's comedies on film Shakespeare's relation to other comic writers of his time Shakespeare's cross dressing comedies and the geographies of Shakespearean comedy **Shakespeare And Renaissance Europe** Andrew Hadfield, 2014-05-13 This collection of essays explores the diverse ways in which Shakespeare and his contemporaries experienced and imagined Europe The book charts the aspects of European politics and culture which interested Renaissance travellers thus mapping the context within which Shakespeare's plays with European settings would have been received Chapters cover the politics of continental Europe the representation of foreigners on the English stage the experiences of English travellers abroad Shakespeare's reading of modern European literature the influence of Italian comedy his presentation of Moors from Europe's southern frontier and his translation of Europe into settings for his plays *A Companion to Shakespeare's Works, Volume III* Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance

studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare s comedies contains original essays on every comedy from The Two Gentlemen of Verona to Twelfth Night as well as twelve additional articles on such topics as the humoral body in Shakespearean comedy Shakespeare s comedies on film Shakespeare s relation to other comic writers of his time Shakespeare s cross dressing comedies and the geographies of Shakespearean comedy *The Oxford Companion to Shakespeare* Michael Dobson, Stanley Wells, 2001-11-29 Illustrated with more than 100 photos and boasting contributions from a team of internationally renowned scholars this is the ultimate resource on the Bard of Avon 2 maps **Shakespearean Criticism** Michelle Lee, 2002-04 The plays theme or focus of this volume includes The Comedy of Errors The Merchant of Venice Pericles Religion and Theology *Journal of Dramatic Theory and Criticism* , 2016 Shakespeares Trilogie King Henry VI und Die Anfänge Seiner Dramatischen Kunst Wolfgang Riehle, 1997 **A Companion to Shakespeare's Works, Volume IV** Richard Dutton, Jean E.
