## **Shakespeare And Race Postcolonial Praxis In The Early Modern Period:**

**Shakespeare and Race** Imtiaz H. Habib, 2000 Shakespeare and Race is a provocative new study that reveals a connection between the subject of race in Shakespeare and the advent of early English colonialism Citing generally neglected archival evidence Imtiaz Habib argues that a small population of captured Indians and Africans brought to England during the 16th century provided the impetus for Elizabethan constructions of race rather than existing European traditions in which blackness was represented metaphorically He explores Tudor and Stuart dramatic representations of black characters focusing specifically on how race affected Shakespeare personally and historically over the course of his career Using postcolonial paradigms combined with neo Marxist feminist and psychoanalytic insights Habib discusses the possible existence of a black woman that Shakespeare knew and wrote about in his Sonnets and examines the design of his black male characters including Aaron Othello and Caliban Shakespeare and Race represents a significant contribution that will fascinate scholars of literature as well as those interested in the cultural impact of colonialism

**Medieval and Renaissance Drama in England** S. P. Cerasano, 2007-08 Contains essays and studies by critics and cultural historians from both hemispheres as well as substantial reviews of books and essays dealing with medieval and early modern English drama This work addressed topics ranging from local drama in the Shrewsbury borough records to the Cornish Mermaid in the Ordinalia

**Speaking of the Moor** Emily C. Bartels, 2010-08-03 Selected by Choice magazine as an Outstanding Academic Title Speak of me as I am Othello the Moor of Venice bids in the play that bears his name Yet many have found it impossible to speak of his ethnicity with any certainty What did it mean to be a Moor in the early modern period In the late sixteenth and early seventeenth centuries when England was expanding its reach across the globe the Moor became a central character on the English stage In The Battle of Alcazar Titus Andronicus

Lust's Dominion and Othello the figure of the Moor took definition from multiple geographies histories religions and skin colors Rather than casting these variables as obstacles to our and England's understanding of the Moor's racial and cultural identity Emily C Bartels argues that they are what make the Moor so interesting and important in the face of growing globalization both in the early modern period and in our own In *Speaking of the Moor* Bartels sets the early modern Moor plays beside contemporaneous texts that embed Moorish figures within England's historical record Richard Hakluyt's *Principal Navigations* Queen Elizabeth's letters proposing the deportation of England's blackamoors and John Pory's translation of *The History and Description of Africa* Her book uncovers the surprising complexity of England's negotiation and accommodation of difference at the end of the Elizabethan era

**Black Lives in the English Archives, 1500-1677**

Imtiaz Habib, 2017-05-15 Containing an urgently needed archival database of historical evidence this volume includes both a consolidated presentation of the documentary records of black people in Tudor and Stuart England and an interpretive narrative that confirms and significantly extends the insights of current theoretical excursus on race in early modern England Here for the first time Imtiaz Habib collects the scattered references to black people whether from Africa India or America in sixteenth and seventeenth century England and arranges them into a systematic chronological descriptive index He offers an extended historical and theoretical interpretation of the records in six chapters which serve as an introductory guide to the index even as they articulate a specific argument about the meaning of the records Both the archival information and interpretive scholarship provide a strong framework from which future historical debates on race in early modern England can proceed
