Shakespeare In Charge The Bards Guide To Leading And Succeeding On The Business Stage:

Shakespeare in Charge Normand Augustine, 2001-05-16 Drawing wide acclaim in hardcover a brilliant guide to management based on the principles explored in Shakespeares plays Timelessly wise and externally popular the plays of Shakespeare are packed with essential insights into human psychology and the use and abuse of power In **Shakespeare in Charge** Norman Augustine former Fortune 500 CEO and Kenneth Adelman former U S Ambassador to the United Nations show how the Bards shrewd understanding of palace politics and the strategies of warfare can just as easily be applied to the twists and turns of the corporate world Shakespeare Survey: Volume 66, Working with Shakespeare Peter

Holland, 2013-11-07 **Shakespeare Survey** is a yearbook of Shakespeare studies and production Since 1948 the Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year s textual and critical studies and of the year s major British performances The theme for Volume 66 is **Working with Shakespeare** and Tiffany Stern s essay has been selected by the Medieval and Renaissance Drama Society for its Barbara Palmer Martin Stevens award for best new essay in early drama studies 2014 The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey> This fully searchable resource enables users to browse by author essay and volume search by play theme and topic and save and bookmark their results **Merchants, Barons, Sellers and Suits**

Christa Mahalik, 2010-08-11 **Merchants Barons Sellers and Suits** The Changing Images of the Businessman through Literature originally began as a conversation about a hybrid course at Quinnipiac University Its purpose was to take an online English course for non traditional business majors and create a theme that would be relevant to the business world Being given the task to create this course from the ground up was exciting and intriguing There turned out to be a lot more material that could be used for this theme than previously thought To gauge the temperature of the topic a panel was set up with the theme of businessmen or women and their changing image through literature At the 2009 NeMLA Northeast Modern Language Association conference in Boston the panel was held and many ideas such as some of the ones presented in this book were discussed A secondary theme evolved out of the construction of the first Participants discussed the environment as a catalyst in the change of what a person actually thinks a businessman or woman looks like Many of these images were formed based upon pop culture such as the traveling salesman in the Looney Tunes cartoons who sells brushes door to door and hails from Walla Walla Washington Others were based on the images read about in books such as Willy Loman from *Death of a Salesman* The essays included in this volume presented by doctoral candidates and scholars from across a range of geographical regions and disciplines result in a collection that investigates the idea of the changing image of the businessman throughout literature both in America and in Europe The arrangement of the collection is a comparative timeline allowing the changing images of business to evolve with each essay **Shakespeare After Mass Media** R.
