Shakespeare David M. Bergeron, Geraldo U. de Sousa, 1987 This updated edition should be welcomed by anyone interested in Shakespeare Particularly useful are its pithy introductions and bibliographies on various critical approaches David Bevington editor of Complete Works of Shakespeare A handy compact map to the changing and contested field of Shakespeare studies Bruce R Smith author of *Homosexual Desire in Shakespeare s England* Copyright Libri GmbH All rights reserved National Union Catalog , 1970 Includes entries for maps and atlases **Standard Catalog for Public Libraries** H.W. Wilson Company, 1965 *American Book Publishing Record* , 1968 **Shakespeare's Friends** Kate Pogue, 2006-01-30 Taking seriously the commonplace that a man is known by the company he keeps and particularly by the company he keeps over his lifetime one can learn more about just about anyone by learning more about his friends By applying this notion to Shakespeare this book offers insight into the life of the most famous playwright in history and one of the most elusive figures in literature The book consists of sketches of Shakespeare s contact and relationships with the people known to have been close friends or acquaintances revealing aspects of the poet s life by emphasizing ways in which his life was intertwined with theirs Though it is difficult to get to know this most famous of playwrights through this work readers can gain insight into aspects of his life and personality that may otherwise have been hidden Shakespeare more than any other writer in the western world based much of his work on the consequences of friendship Given the value placed on friends in his writing many readers have wondered about the role friendship played in his own life This work gives readers the chance to learn more about Shakespeare s friends who they were and what they can tell us about Shakespeare and his times For instance Richard Field was a boyhood friend with whom Shakespeare went to school in Stratford Field became a well known London printer The details of Field s life illuminate both the details of Shakespeare s boyhood education and the poet s relationship with the printing publishing and book selling world in London Francis Collins a lawyer who represented Shakespeare in a number of legal dealings drafted both versions of Shakespeare s will This life long friend was one of the last men eve to see Shakespeare pick up a pen to write Through these vivid and animated sketches readers will come to know about Shakespeare s life and times While the book has a lively accessible narrative tone within chapters its organization and

features make it highly useful to the school library market as well as the academic world It contains cross references a detailed Table of Contents and a highly organized structure with uniformity across sections and chapters The writing is accessible and could be easily used by upper level high school students looking to augment school assignments Discourse on Hamlet and Hamlet Kurt Robert Eissler,1971 **Shakespeare's Mercutio** Joseph A. Porter,1988 In this impressive study Joseph Porter traces the figure of Mercury from classical medieval and Renaissance literary and pictorial representations to his emergence as the character of Mercutio in Shakespeare s Romeo and Juliet Porter grounds his analysis of Mercutio in a historical and cultural context and examines the transformation of Mercutio s character in criticism and performance from the Renaissance to the present Exploring the playwright s goals and strategies in the development of this short lived but important character Porter reveals an abundance of information that helps us understand Shakespeare s creative processes in the context of Renaissance culture He addresses a large body of critical commentary and examines a number of issues including Mercutio s implications for the history of sexuality and gender and the concept of the dramatic character itself in contemporary criticism Porter also investigates such issues of interest in Shakespeare study as intertextuality historicity femininism phallocentrism literary proprietorship and cultural containment and subversion This work brings a unified manifold of contemporary critical instruments to bear on the character of Mercutio In doing so Porter introduces a new discipline a poststructuralist literary characterology for the twenty first century **The Reader's Adviser** Winifred F. Courtney,1977 **The History of Ideas: Medieval and early modern Europe** Jeremy L. Tobey,1975

Europäische Hochschulschriften : Reihe XIV: Angelsächsische Sprache und Literatur ,1969 **Shakespeares Othello im Spiegel der literarischen Kritik** Peter Bettinger,1977 **Shakespeare's Family** Kate Pogue,2008-06-30 While many things about Shakespeare s life are unknown certainly like everyone else he had a family This book gathers into a single source as much information as possible concerning Shakespeare s immediate family from his grandfathers on the maternal and paternal sides to his granddaughter the last member of his direct family line But readers may ask to what extent did the relationships in the plays reflect the actual familial structures of Shakespeare s day To what extent did Shakespeare experience personally the familial dynamics about which he wrote so eloquently And to what extent were Shakespeare s own family experiences typical or atypical of other Elizabethan or Jacobean families These questions can be addressed because more is known of Shakespeare s family than of the families of any of his fellow writers and actors For several generations members of Shakespeare s family were important local figures in and around Stratford upon Avon and fortunately from the Middle Ages until the present day Stratford upon Avon has been one of the best documented towns in England While many things about Shakespeare s life are unknown certainly like everyone else he had a family This book gathers into a single source as much information as possible concerning Shakespeare s immediate family from his grandfathers on the maternal and paternal sides to his granddaughter the last member of his direct family line But readers may ask to what extent did the
