Shakespeare Name Dictionary:

The Shakespeare Name Dictionary J. Madison Davis, Daniel A. Frankforter, 2004-08-02 Entries provide the likely sources for a name describe historical and mythological backgrounds examine Shakespeare's presentation of a character or place and suggest various interpretations of a name Each entry contains line citations to William Shakespeare The Complete Works A quide to the historical mythological fictional and geographic references that appear in Shakespeare's complete plays and poems covering every name proper adjective official title literary and mystical title and place name Name and Place Dictionary J. Madison Davis, 2012-11-12 Entries provide the likely sources for a name describe historical and mythological backgrounds examine Shakespeare s presentation of a character or place and suggest various interpretations of a name Each entry contains line citations to William Shakespeare The Complete Works edited by Wells and Taylor Oxford University Press 1986 Shakespeare's Names Helge Koekeritz, 1966 The Shakespeare Name and Place Dictionary J. Madison Davis, 1995 The Shakespeare Name Dictionary I. Madison Davis, A. Daniel Frankforter, 1995 Listed is every name proper adjective official title literary and musical title and place name which appears in the text of the complete plays and poems of William Shakespeare There is also a cross reference of common editorial spellings which were not used in the edition which served as the standard A Dictionary of the Characters and Proper Names in the Works of **Shakespeare** Francis Griffin Stokes, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Shakespeare's Names Helge **Shakespeare's Names** Helge Kökeritz, 19?? A Dictionary of Characters and Proper Names in the Kokeritz, 1930 Works of Shakespeare Francis G. Stokes, 1981-01-01 **Shakespeare's Names** Louis Colaianni, 1997 A Dictionary of the Characters & Proper Names in the Works of Shakespeare Francis Griffin Stokes, 1998 Who's Who in Shakespeare Francis Griffin Stokes, 2007-03-15 Although many of Shakespeare's allusions would have been familiar to the theater goers of his day we ve come a long way from the language of the Globe Theater This indispensable dictionary helps modern readers and audiences find their way back to the Elizabethan stage With more than 3 000 entries it encompasses all of the plays as well as the poems and sonnets In addition to the historical mythical and fictitious characters themselves the coverage extends to their references to other people places literature and legends Who s Who in Shakespeare offers an alphabetical guide to these names It provides a specific identity and context for each with guotations from the works in which they appear from the sources which Shakespeare may himself have used and from the writings of his contemporaries The author has also contributed his own comments on the accuracy of some of the historical and geographical references and on the links between the playwright's life and his choices of names Entries for major characters feature brief analyses of their roles

Dictionary of the Characters and Proper Names in the Works of Shakespeare Francis G. Stokes, 1983-07-01 dictionary of the characters and proper names in the works of Shakespeare Francis Griffin Stokes, 1960 the characters & proper names in the works of Shakespeare, with notes on the sources and dates of the plays and poems Francis Griffin Stokes, 1924 Names as Metaphors in Shakespeare's Comedies Grant W. Smith, 2021-09-07 Names as Metaphors in Shakespeare's Comedies presents a comprehensive study of names in Shakespeare's comedies Although names are used in daily speech as simple designators often with minimal regard for semantic or phonological suggestiveness their coinage is always based on analogy They are words i e signs borrowed from previous referents and contexts and applied to new referents Thus in the literary use of language names are figurative inventions and have measurable thematic significance they evoke an association of attributes between two or more referents contextualize each work of literature within its time and reflect the artistic development of the writer In the introduction Smith describes the literary use of names as creative choices that show the indebtedness of authors to previous literature as well as their imaginative descriptions etymologically and phonologically of memorable character types and their references to cultural phenomena that make their names meaningful to their contemporary readers and audience This book presents fourteen essays demonstrating the analytical models explained in the introduction These essays focus on Shakespeare's comedies as presented in the First Folio They do not follow the chronological order of their composition instead the individual essays give special attention to differences between the plays that suggest Shakespeare's artistic development including the varied sources of his

borrowings the differences between his etymological and phonological coinages the frequency and types of his topical references and his use of epithets and generics This book will appeal to Shakespeare students and scholars at all levels particularly those who are keen on studying his comedies. This study will also be relevant for researchers and graduate students interested in onomastics He can be reached at gsmith ewu edu A Dictionary of the Characters and Proper Names in the Works of Shakespeare Francis G. Stokes, 2013-03-01 Bonded Leather binding **Shakespeare's Names** Laurie Maguire, 2007-10-11 This unusual and fascinating book convinces readers that names matter in Shakespeare's plays and that playing with names is a serious business The focus is Shakespeare in particular case studies of Romeo and Juliet Comedy of Errors The Taming of the Shrew A Midsummer Night's Dream All's Well that Ends Well and Troilus and Cressida but the book also shows what Shakespeare inherited and where the topic developed after him "What's in a Name? Robert C. Beshere, 2009 Just like Shakespeare's seemingly endless play on the word will in his sonnets the names of his characters themselves hold context clues in their linguistic historical mythological and teleological roots These context clues inform readers scholars and even directors and actors of elements of the characters personae behaviors and possible involvement in the plot The dissertation will propose that Shakespeare reverses a derivation of character in which authors first determine a form for a character's name that does not necessarily reflect the character's purpose Shakespeare instead creates a purpose driven form in which his characters names reflect their individual functions in the plots The characters names are journeys for themselves whether they earn the name s meanings or not unlike the great tragic figures fall from the grace glory and power that has been afforded to and associated with their names All the while Shakespeare is investing in the psychology of the audience having the audience witness and join the journey rather than dictate the journey's destination at the outset Thus Juliet's inquiry What's in a name Carries much more than just a bemoaning of unfortunate and unlucky circumstances Her inquiry inadvertently reveals the overwhelming potency of names an indication that Shakespeare himself held nomenclature and the process of naming as a paramount practice in determining character This dissertation theorizes a dictionary that categorizes all of Shakespeare's characters and explores the etymological roots of each as well as cultural historical mythological and religious allusions that the names contain Abstract from author supplied metadata

As recognized, adventure as capably as experience just about lesson, amusement, as with ease as treaty can be gotten by just checking out a books **Shakespeare Name Dictionary** afterward it is not directly done, you could believe even more regarding this life, roughly the world.

We manage to pay for you this proper as well as simple way to acquire those all. We manage to pay for Shakespeare Name Dictionary and numerous books collections from fictions to scientific research in any way. accompanied by them is this Shakespeare Name Dictionary that can be your partner.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shakespeare Name Dictionary eBooks, including some popular titles.

FAQs About Shakespeare Name Dictionary Books

What is a Shakespeare Name Dictionary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shakespeare Name Dictionary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shakespeare Name Dictionary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Shakespeare Name Dictionary PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Shakespeare Name **Dictionary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
