Shakespeare On Love And Lust:

Shakespeare on Love & Lust Maurice Charney, 2000 A leading Shakespearean authority untangles the legendary writer's witty bawdy and ambiguous treatment of sex love and desire **Shakespeare on Love and Lust** Maurice Charney, 2002-07-22 The complex and sometimes contradictory expressions of love in Shakespeare's works ranging from the serious to the absurd and back again arise primarily from his dramatic and theatrical flair rather than from a unified philosophy of love Untangling his witty bawdy and ambiguous treatment of love sex and desire requires a sharp eye and a steady hand In *Shakespeare on Love and Lust* noted scholar Maurice Charney delves deeply into Shakespeare's rhetorical and thematic development of this largest of subjects to reveal what makes his plays and poems resonate with contemporary audiences The paradigmatic star crossed lovers of *Romeo and Juliet* the comic confusions of couples wandering through the wood in *A Midsummer Night's Dream* Othello's tragic jealousy the homoerotic ways Shakespeare played with cross dressing on the Elizabethan stage Charney explores the world in which Shakespeare lived and how it is reflected and transformed in the one he created While focusing primarily on desire between young lovers Charney also explores themes of love in marriage Brutus and Portia and in same sex pairings Antonio and Sebastian Against the conventions of Renaissance literature Shakespeare qualified the Platonic view that true love transcends the physical Instead as Charney demonstrates love in Shakespeare's work is almost always sexual as well as spiritual and the full range of desire's dramatic possibilities is displayed *Shakespeare on Love and Lust* begins by considering the ways in which Shakespeare drew upon and satirized the conventions of Petrarchan Renaissance love poetry in plays like *Romeo and Juliet* then explores how courtship is woven into the basic plot formula of the comedies Next Charney examines love in the tragedies and the enemies of love Iago for example Later chapters cover the gender complications in such plays as *Macbeth* and *The Taming of the Shrew* as well as the homoerotic themes woven into many of the poems and plays Charney concludes with a lively discussion of paradoxes and ambivalences about love expressed by Shakespeare's word play and sexual innuendoes *Shakespeare's Greek Drama* Secret Myron Stagman, 2010-08-11 To begin with Shakespeare had a complete grammar school education and Euripides Sophocles and Aristophanes were assigned reading This book presents voluminous striking unmediated textual correspondences between the Greek and Shakespearean plays and illuminating historical background Not only should this prove the Shakespeare Greek Drama connection but that William Shakespeare became Shakespeare because of his mastery of the ancient Greek treasury of Drama 3 Pluck'd my nipple from his boneless gums Many of us associate Lady Macbeth's special temper with some of the most blood curdling lines in literature I have given suck and know How tender 'tis to love the babe that milks me I would while it was smiling in my face Have pluck'd my nipple from his boneless gums And dash'd the brains out had I so sworn As you have done to this Shakespeare's precise action image appears in Euripides *Iphigenia in Aulis* from verses spoken by Clytemnestra She says to Agamemnon It was not of my own free will but by force that Thou didst

take and wed me after slaying Tantalus My former husband and dashing my babe on the ground alive When thou hadst torn him from my breast with brutal violence The derivation of Lady Macbeth s dashing image cannot be in doubt **An**

Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally **A Thousand and One Gems of English and American Poetry from Chaucer to Tennyson** Edwin O.
