Shakespeare's Theatre Peter Thomson,2013-06-17 Reviews of the First Edition valuable and enjoyable reading for all studying Shakespeare's plays Following in the pattern established by John Russell Brown for the excellent series Theatre and Production Studies he provides first an account of Shakespeare's company then a study of three individual plays Twelfth Night Hamlet and Macbeth as performed by the company Peter Thomson writes in a crisp sharp enlivening style TLS the best analysis yet of Elizabethan acting practices excavated from the texts themselves rather than reconstructed on basis of one monolithic theory and an essay on Hamlet that is a model of Critical intelligence and theatrical invention Yearbook of English Studies Synthesizes the important facts and summarizes projects with a vigorous prose style and expertly applies his experience in both practical drama and academic teaching to his discussion Review of English Studies **Stage**

Shakespeare's Acts of Will Gary Watt,2016-07-28 Shakespeare was born into a new age of will in which individual intent had the potential to overcome dynastic expectation The 1540 Statute of Wills had liberated testamentary disposition of land and thus marked a turning point from hierarchical feudal tradition to horizontal free trade Focusing on Shakespeare's late Elizabethan plays Gary Watt demonstrates Shakespeare's appreciation of testamentary tensions and his ability to exploit the inherent drama of performing will Drawing on years of experience delivering rhetoric workshops for the Royal Shakespeare Company and as a prize winning teacher of law Gary Watt shows that Shakespeare is playful with legal technicality rather than obedient to it The author demonstrates how Shakespeare transformed lawyers manual book rhetoric into powerful drama through a stirring combination of word metre movement and physical stage material producing a mode of performance that was truly testamentary in its power to engage the witnessing public Published on the 400th anniversary of Shakespeare's last will and testament this is a major contribution to the growing interdisciplinary field of law and humanities Outlines of Shakespeare's Plays Homer Andrew Watt,Karl Julius Holzkecht,Raymond Ross,1947
