Shakespeare Versus Shallow Leslie Hotson, 2013-10 This is a new release of the original 1931 edition *The Sources of Shakespeare's Plays* Kenneth Muir, 2014-04-04 First published in 1977 This book ascertains what sources Shakespeare used for the plots of his plays and discusses the use he made of them and secondly illustrates how his general reading is woven into the texture of his work Few Elizabethan dramatists took such pains as Shakespeare in the collection of source material Frequently the sources were apparently incompatible but Shakespeare's ability to combine a chronicle play one or two prose chronicles two poems and a pastoral romance without any sense of incongruity was masterly The plays are examined in approximately chronological order and Shakespeare's developing skill becomes evident **Renaissance**

Papers 2009 Christopher Cobb, 2010 Renaissance Papers is a collection of the best scholarly essays submitted each year to the Southeastern Renaissance Conference The Conference accepts papers on all subjects relating to the Renaissance from scholars all over North America and the world *Shakespeare's Lives* Samuel Schoenbaum, 1991 This volume presents a study of the changing images and differing ways that the life of English poet and playwright William Shakespeare 1564 1616 has been interpreted throughout history The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work bringing the story right up to 1989 He reconstructs as much of the elusive author's life as possible considering his family history his economic standing and his reputation with his peers the Shakespeare who emerges may not always be the familiar one **Shakespeare Jahrbuch**, 1969 Most volumes include Shakespeare Bibliographie *The New Cambridge Bibliography of English Literature: Volume 1, 600-1660* George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **In Shakespeare's**
