Strategic Customer Service John Goodman, 2019-02-05 Any organization can win more customers and increase sales if they learn to be more strategic with their customer service When customers complain employees respond The typical service model is riddled with holes What about people and businesses who never speak up but never come back Learn to actively reach out prevent problems and resolve issues in ways that boost loyalty Strategic Customer Service is a data packed roadmap that shows you how This invaluable resource distills decades of research on the impact of great versus mediocre service Complete guidelines and case studies explain how to Gather and analyze customer feedback Empower employees to fix problems Track your impact on revenue Generate sensational word of mouth Tap opportunities to cross sell and up sell Strategic Customer Service draws on over 30 years of research from companies such as 3M GE and Chick Fil A to teach you how to transcend a good business into a profitable word of mouth machine that transforms the bottom line Why settle for passive service Make a business case for ramping up operations and get the tools for making it pay off Transform customer service into a strategic function and reap benefits far exceeding investments

Customer service on life support The Customer Service Inspector , 2025-10-03 Customer service isn't dead but it's on life support Once businesses treated service as the foundation of loyalty and trust Employees were empowered complaints were valued and customers felt heard Today Long queues faceless bots hidden complaint processes and leaders who mistake excuses for solutions In this sharp no nonsense book The Customer Service Inspector reveals how standards collapsed after the pandemic and why consumers have been conditioned to accept less Drawing on decades of experience in loyalty and retention they expose the cost of bad service for customers employees and companies alike But this isn't just a diagnosis It's a rallying cry With common sense empowerment and a return to the simple rule of treating people how we want to be treated service can recover The question isn't can we demand better It's whether we will If you've ever waited on hold fought a bot or swallowed your frustration in silence this book is for you
