Nba Preseason Productivity Planner This Month:

Improving Practice and Performance in Basketball Aaron T. Scanlan,Vincent J. Dalbo,2019-11-18 Despite being one of the most popular sports worldwide basketball has received limited research attention compared to other team sports Establishing a strong evidence base with high quality and impactful research is essential in enhancing decision making processes to optimize player performance for basketball professionals Consequently the book entitled Improving Performance and Practice in Basketball provides a collection of novel research studies to increase the available evidence on various topics with strong translation to practice in basketball The book includes work by 40 researchers from 16 institutions or professional organizations from 9 countries In keeping with notable topics in basketball research the book contains 2 reviews focused on monitoring strategies to detect player fatigue and considerations for travel in National Basketball Association players In addition 8 applied studies are also included in the book focused on workload monitoring game related statistics and the measurement of physical and skill attributes in basketball players This book also has a strong focus on increasing the evidence available for female basketball players who have traditionally been under represented in the literature The outcomes generated from this book should provide new insights to inform practice in many areas for professionals working in various roles with basketball teams **Basketball Sports Medicine and Science** Lior Laver,Baris Kocaoglu,Brian Cole,Amelia J. H. Arundale,Jeffrey Bytowski,Annunziato Amendola,2020-10-05 This book is designed as a comprehensive educational resource not only for basketball medical caregivers and scientists but for all basketball personnel Written by a multidisciplinary team of leading experts in their fields it provides information and guidance on injury prevention injury management and rehabilitation for physicians physical therapists athletic trainers rehabilitation specialists conditioning trainers and coaches All commonly encountered injuries and a variety of situations and scenarios specific to basketball are covered with the aid of more than 200 color photos and illustrations Basketball Sports Medicine and Science is published in collaboration with ESSKA and will represent a superb comprehensive educational resource It is further hoped that the book will serve as a link between the different disciplines and modalities involved in basketball care creating a common language and improving communication within the team staff and environment **Spaced Out** Mike Prada,2022-11-01 A hands on illuminating deconstruction of NBA basketball tracing the tactical evolution of the modern game As the NBA celebrates and surpasses 75 years of existence today s game looks nothing like it did in generations past when Bill Russell Wilt Chamberlain and Kareem Abdul Jabbar took turns ruling the league But it s also entirely different from a decade even half decade ago Today s stars enter the league with more versatility and fluidity than ever before and they need it to handle the strategies philosophies schemes skill sets movement patterns and measures of basketball intelligence that simply didn t exist in the past Spaced Out tells the story of what professional basketball looks like right now and how it got here Taking a court level view Mike Prada breaks down high level play to elucidate the athleticism strategy and skill
