Woo, Wow, and Win Thomas A. Stewart,Patricia O'Connell,2016-11-29 In this pioneering guide two business authorities introduce the new discipline of Service Design and reveal why trying new strategies for pleasing customers isn t enough to differentiate your business it needs to be designed for service from the ground up Woo Wow and Win reveals the importance of designing your company around service and offers clear practical strategies based on the idea that the design of services is markedly different than manufacturing Bestselling authors and business experts Thomas A Stewart and Patricia O Connell contend that most companies both digital and brick and mortar B2B or B2C are not designed for service to provide an experience that matches a customer s expectations with every interaction and serves the company s needs When customers have more choices than

ever before study after study reveals that it is the experience that makes the difference To provide great experiences that keep customers coming back businesses must design their services with as much care as their products Service Design is proactive it is about delivering on your promise to customers in accordance with your strategy not about acceding to customer dictates Woo Wow and Win teaches you how to create Ahhh moments when the customer makes a positive judgment and to avoid Ow moments when you lose a sale or worse customer trust Whether you're giving a haircut selling life insurance or managing an office building your customer is as much a part of your business as your employees are Together you and customers create a bank of trust fueled by knowledge of each other's skills and preferences This is Customer Capital the authors explain and it is jointly owned But it's up to you to manage it profitably Innovative yet grounded in real world examples Woo Wow and Win is the key strategy for winning customers and keeping them **Time**, 2009 Kiplinger's Personal Finance Magazine, 2010-07 **The New York Times Magazine**, 2009 *Billboard*, 2003-08-02 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Variety Deal Memo, 2003 The global newsletter of theatrical and post theatrical rights and markets *E-commerce* Kenneth C. Laudon, Carol Guercio Traver, 2007 In today's evolving business environment E-commerce business technology society introduces students to the concepts and practice of electronic commerce This book emphasizes the three major forces behind e-commerce business fundamentals technology opportunities and social issues In every chapter these three themes come alive with the discussion of e-commerce concepts in the areas of economics marketing and information technology and with the presentation of real world e-commerce business cases and stories The result is a coherent framework for organizing a complex topic which promotes a clear understanding of how e-commerce is evolving Book jacket Economics Today Miller, Roger LeRoy, 2005 **Chain Store Age**, 2010
