*The Storm Is Upon Us* Mike Rothschild, 2021-06-22 I hope everyone reads this book It has become such a crucial thing for all of us to understand Erin Burnett CNN An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon It even shows you a glimmer of light at the exit Cullen Hoback director of HBO's *Q Into the Storm* Its messaging can seem cryptic even nonsensical yet for tens of thousands of people it explains everything What is QAnon where did it come from and is the Capitol insurgency a sign of where it's going next On October 5th 2017 President Trump made a cryptic remark in the State Dining Room at a gathering of military officials He said it felt like the calm before the storm then refused to elaborate as puzzled journalists asked him to explain But on the infamous message boards of 4chan a mysterious poster going by Q Clearance Patriot who claimed to be in military intelligence began the elaboration on their own In the days that followed Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies of a Tom Clancy novel while satisfying the deepest desires of MAGA America But did any of what Q predicted come to pass No Did that stop people from clinging to every word they were reading expanding its mythology and promoting it wider and wider No Why not Who were these rapt listeners How do they reconcile their worldview with the America they see around them Why do their numbers keep growing Mike Rothschild a journalist specializing in conspiracy theories has been collecting their stories for years and through interviews with QAnon converts apostates and victims as well as psychologists sociologists and academics he is uniquely equipped to explain the movement and its followers In *The Storm Is Upon Us* he takes readers from the background conspiracies and cults that fed the Q phenomenon to its embrace by right wing media and Donald Trump through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric to the storming of the Capitol and on And as the phenomenon shows no sign of calming despite Trump's loss of the presidency with everyone from Baby Boomers to Millennial moms proving susceptible to its messaging and politicians starting to openly espouse its ideology Rothschild makes a compelling case that mocking the seeming madness of QAnon will get us nowhere Rather his impassioned reportage makes clear it's time to figure out what QAnon really is because QAnon and its relentlessly dark theory of everything isn't done yet
