*All-in-One For Dummies* Marsha Collier, 2018-01-08 The selling marketing and business tips you need to succeed eBay is the perfect place to learn the ropes of what it's like running an online business. It provides the tools, technology, and platform a would-be entrepreneur needs to launch their first successful small business. It takes some know-how, however, to get that business off the ground and grow it into a success. In *eBay Business All in One For Dummies*, Marsha Collier shares the expertise she gained as one of eBay's first Power Sellers on how to get ahead, stay ahead, and expand your business onto other platforms when it's time to grow. eBay continues to grow as it connects new individuals with items to sell with would-be buyers every day. Combining essential information covering seven key topics, this all-encompassing guide shows fledgling entrepreneurs how to sell like a pro, present and market your items, become a power seller, deal with office and legal issues, and so much more. Discover the secrets behind driving views for listings. Find out how to source merchandise for resale. Get advice on the back office tasks of running a business. Grow your business beyond the eBay platform. If you have an eye on building a business on eBay and beyond, this is the one-stop guide you need to succeed.

**New Methods of Financing Your Business in the United States** Frederick D. Lipman, 2016 United States US has one of the deepest pools of potential investors of any country. It has more than 33 million total investors, both accredited and non-accredited. It has been reported that over 9 million US households qualify as accredited investors with a net worth of over 1 million, exclusive of primary residence. It has also been reported that in US there are over 700,000 angel investors who are willing to invest their own money in ranges of 150,000 to 2 million. This book will describe three new methods of raising capital from US investors which have recently been approved. It also analyzes strategies for successfully implementing these finance methods. This book is intended for entrepreneurs, both US and international, who are thinking of growing their business with outside capital from US. It will be of importance for all start-up and middle market companies who are in need of additional capital to grow their businesses. Provided by publisher.

**Consumer Behavior** Ayalla Ruvio, Dawn Iacobucci, 2023-02-01 In *Consumer Behavior*, the authors deliver a cutting-edge examination of consumer behavior, combining a thorough introduction to the subject with an overview of common and important consumer behaviors, contemporary social issues impacting consumer behavior, including social media, a global mindset of consumer behaviors, and the ethical aspects of consumer behavior. The authors draw on extensive consumer behavior research and teaching experience to offer a streamlined pedagogical framework designed to provide a contemporary and fresh voice in the discipline. *Consumer Behavior* is ideal for undergraduates, graduate MBAs, and executives seeking new insights to better understand consumers. In this edition, you'll find an easy-to-follow introduction to and overview of consumer behavior, the consumer buying process, a throughgoing focus on global, ethical, and social media issues relevant to consumer behavior, supplementary materials for instructors including PowerPoint slides and a Test Bank.
