Evaluating Digital Sources in Journalism Ståle Grut, 2023-12-28 Building on a rich journalistic tradition of critical source analysis, this book considers the impact of the move from analogue to digital sources on information quality and presents methods and tools to verify information found online and help counter the spread of misinformation. *Evaluating Digital Sources in Journalism* critically maps the prevalence of online manipulation, particularly images and videos from social media platforms, and considers the tools needed both to carry out and to counter this. Strategies are proposed to help readers evaluate content, context, and sources and ultimately build a foundation for carrying out their own online open source investigations. The author brings together theories and best practices from a broad range of literature, including modern Scandinavian research on the concept of source criticism, journalism, and technology studies, advanced forensic verification research, and literature designed for practitioners, including blogs and industry publications. *Evaluating Digital Sources in Journalism* is recommended reading for advanced journalism students and journalism practitioners.

Strategic Social Media Management Karen E. Sutherland, 2020-12-21 This textbook provides a lively introduction to the fast-paced and multi-faceted discipline of social media management with international examples and perspectives. Aside from focusing on practical application of marketing strategy, the textbook also takes students through the process of strategy development, ethical and accurate content curation, and strategy implementation through detailed explanations of content creation. Combining theory and practice, *Strategic Social Media Management* teaches students how to take a strategic approach to social media from an organisational and business perspective and how to measure results. Richly supported by robust and engaging pedagogy and cases, in each chapter it integrates perspectives from public relations, marketing, and advertising and examines key topics such as risk, ethics, privacy, consent, copyright issues, and crises management. It also provides dedicated coverage of content strategy and campaign planning and execution. Reflecting the demands of contemporary practice, advice on self-care for social media management is also offered, helping to protect people in this emerging profession from the negativity that they can experience online when managing an organisation's social media presence. After reading this textbook, students will be able to develop a social media strategy, curate accurate and relevant content, and create engaging social media content that tells compelling stories, connects with target audiences, and supports strategic goals and objectives. This is an ideal textbook for students studying social media strategy, marketing, and management at undergraduate level. It will also be essential reading for marketing, public relations, advertising, and communications professionals looking to hone their social media skills.
