 Nathan Kalman-Lamb,Derek Silva,2024-10-04 In this book Nathan Kalman Lamb and Derek Silva offer an existential
 challenge to one of America s favorite pastimes college football Drawing on twenty five in depth interviews with former
 players from some of the country s most prominent college football teams Kalman Lamb and Silva explore how football is
 both predicated on a foundation of coercion and suffused with racialized harm and exploitation Through the stories of those
 who lived it the authors examine the ways in which college football must be understood as a site of harm revealing how
 players are systematically denied the economic value they produce for universities and offered only a devalued education in
 return By illuminating the plantation dynamics that make college football a particularly racialized form of exploitation the
 book makes legible the forms of physical sacrifice that are required the ultimate cost in health and well being and the
 coercion that drives players into the sport and compels them to endure such abusive conditions *Secret Codes 2007*
