### **How to Use the Internet** Macmillan General

Reference Staff,Macmillan Publishing,MacMillan General Reference,1998-07 The V-chip Debate Monroe E. Price,2013-11-26 The V chip is a highly significant part of the discussion about whether television or broadcasting in general deserves some special attention in terms of its accessibility to children its particular power to affect conduct and its invasiveness But as this notion of filtering and labeling has caught the imagination of the regulator the legislator and all those who wish to consider new ways to alter bargaining over imagery in society the very idea of the V chip or its equivalent is moving across other technologies including the Internet The V chip issue has also fueled the ongoing debate about violence and sexual practices in society and how representations on television relate to those practices Although the initial concept of

the V chip is simple its flow into the public realm raises so many extraordinary questions that the introduction and production of the chip virtually serves as a case study in problems of law and public policy The very conceptualization of speech in society is being affected by this issue Accordingly the place of the V chip in this debate is increasingly important indeed it may be argued that the V chip s contribution to legal argumentation may be greater than its ultimate contribution to the relationship between children and imagery Among the questions the contributors address are What research basis is necessary to require a framework for labeling and rating What relationship between government and the image producing industries can be characterized for constitutional and other reasons as voluntary as opposed to coercive Who should evaluate these images To what extent should the evaluation process be centralized and or distributed What assessment is appropriate to evaluate whether the experiment is successful In addition to the V chip s origin s in Canada and its further evolution in the United States this book discusses the development of the V chip and television rating systems in Europe Australia and throughout the world It also includes essays which contrast the very different approaches in Canada and the United States in terms of the role of regulatory agency industry and government *Informationweek* ,2005 Scenarios for Writing: Issues, Analysis, and Response Gregory Glau,Craig Jacobsen,2001 This exciting new rhetoric reader presents six scenarios rooted in contemporary controversies that dramatize rhetorical issues and engage students in conversations informed by competing points of view **America Online Bible** Erfert Fenton,1998 Complete coverage of America Online 4 includes how to install set up and customize AOL integrate colorful graphics into e mail discover online chat rooms use message boards and forums use NetFind to search the World Wide Web create and publish a Web page and navigate America Online s 19 channels Primarily for beginners Annotation copyrighted by Book News Inc Portland OR *Cyberspace* Tod Foley,Iron Crown Enterprises,1992 Handbook for role playing game set in Earth 2090 AD **Internationales Kompendium der Computerkünste 95** ,1995 It's Your Digital Life Giri Govindarajulu,Shyam Sundar Ramaswami,Shriram K.
