#after College Tweet Book01 Matthew Chow,Jonathan Chu,2013 After the ivory tower existence of college comes the hard reality of real life Although the economy is steadily curving upwards many college graduates still have to face the reality that their efforts over the past four years may not readily result in the payoff of a lucrative job To put it bluntly many new graduates today find themselves newly unemployed For those that fall under this category who are walking out into the real world for the first time help in the form of a realistic and supportive guidebook is at hand AFTER COLLEGE tweet provides pointers for moving forward in just such a situation It shows recent graduates how to reconcile the reality of their situations with the promise of the jobs they expected after attending four year universities Written by college graduates who are trying to find their place in the world themselves the book clearly demonstrates a firm grasp on the truths of life after college and what must be done to preserve balance in a time of uncertainty As the authors point out a fundamental difference between college life and life after college is that the latter is devoid of a straight well laid out path One has to find one s own way Money is often a constraint especially if there are substantial student loans to repay Extensive job searching can be hard on the mind and self esteem Many rules that applied in college no longer hold Maintaining a balance in this new environment is not easy Most importantly young college graduates out in the workplace are seen as adults and not cushioned as they were in college The authors are keenly aware that an important part of adulthood after graduation is being able to find pride and self confidence as well as an understanding of self With empathy perspective and a sense of humor the authors of AFTER COLLEGE tweet help young adults sail through this challenging period of their lives AFTER COLLEGE tweet is part of the THiNKaha series whose slim and handy books contain 140 well thought out quotes tweets ahas *About Writing* Gareth L.
