**Sharing Risk** Patricia A. McCoy, 2025 Examining why society should pool and spread the financial risk that individual families now bear Over the past sixty years businesses and government have increasingly off loaded financial risk onto US households The toll has pushed tens of millions of people to the financial breaking point worsened social inequity and jeopardized US democracy In *Sharing Risk* consumer advocate and scholar Patricia A McCoy draws on the nation's traditions of risk sharing to argue that society should lift up families by pooling and spreading the financial risks that they now must bear alone Most policy discussions of financial stress on households look at the milestones of economic well being in isolation making ends meet homeownership quality health care financing college and a secure retirement McCoy offers the first integrated examination of how risk sharing can enable families to realistically achieve all five goals without sacrificing one for another She makes specific policy recommendations and shows how risk sharing with its long and venerable history that includes Social Security and the Affordable Care Act would provide economic well being for all

**Investing 101** Kathy Kristof, 2008-08-01 People wanting basic advice about stocks bonds mutual funds retirement planning and tax strategies are often frustrated by information overload Picking the right book seems as daunting as deciding what to do with their savings and investments *Investing 101* Updated and Expanded removes both roadblocks putting people on a path that they can understand and stick with Kristof is renowned for taking the mystery and anxiety out of investing by keeping choices manageable Kristof walks readers through the entire investment cycle and the way they think of their financial lives rather than presenting stand alone concepts like stocks and real estate This expanded edition has new information about 529 college savings plans annuities Roth IRAs reverse mortgages and why declining markets can be good for you It includes a cautionary look at home mortgages as investments There's even a portfolio for the lazy investor Kristof's loyal readership and the success of this book's first edition demonstrate that she understands what's on the minds of investors as intimately as she knows what's happening in financial markets Winner Cover and Interior Design The Bookbinders Guild of New York 2009 New York Book Show Awards

California Real Estate Finance Robert J. Bond, Alfred Garello, Carden Young, 1998 Highly practical in focus this book reflects today's everchanging real estate market as it examines such basic principles as creative financing construction financing adjustable and variable rate mortgage plans and real estate mathematics Focusing on financing for the home buyer this book covers buyers in all income categories and discusses various types of lenders different types of financing the process of a mortgage and common mortgage problems with some potential solutions The sixth edition of *California Real Estate Finance* has been revised to incorporate a simplified presentation while expanding coverage of many topics It includes a unique new chapter on financing for low and moderate income home buyers The book also now includes a section on the use and application of the financial calculator for solving real estate problems
