

Maryline Metallo

Model

Dear Jezlyn Balmas,

I am writing to express my interest in the modeling position at Tesla, Inc., as advertised. With a diverse portfolio of work that spans five years, including significant experience at Ford Motor Company, I am excited about the opportunity to contribute my skills and passion for automotive modeling to Tesla's innovative and forward-thinking team.

During my tenure at Ford Motor Company, I honed my ability to represent the brand with poise and professionalism, both in print and digital media campaigns as well as at high-profile auto shows. My work required me to quickly adapt to the evolving demands of the industry, a challenge I met with enthusiasm and creativity. I have always been committed to not only showcasing the vehicles but also embodying the company's values and connecting with the audience on a personal level.

Tesla's commitment to sustainability and innovation is something that deeply resonates with me. I am particularly drawn to the way Tesla is redefining the automotive landscape with cutting-edge technology and design. I am eager to bring my experience and energy to a company that is not afraid to push boundaries and redefine what is possible.

I am confident that my professional background, combined with my dedication and work ethic, would make me a valuable addition to your team. I am particularly adept at learning and mastering new concepts and techniques, which I believe would be beneficial in representing Tesla's dynamic range of products.

Thank you for considering my application. I am looking forward to the possibility of discussing how my experience and vision align with the goals of Tesla, Inc. I am excited about the opportunity to contribute to your company's success and to be part of a team that is changing the future of transportation.

Warm regards,

Maryline Metallo
