## World Series Last 90 Days:

**Drug Abuse in the Workplace** United States. Congress. House. Select Committee on Narcotics Abuse and Control, 1987  
*Flying Magazine*, 1971-02      *This Day in Sports* Ernie Gross, 2000-12-29 Sports events represent for many landmarks for memories contexts that securely fix moments in past time And in America perhaps more than in any other country they are part of what connects the individual to the multitude When we add them to our remembrances they subtly suggest that like sporting contests our personal tales are fit for public consumption How easy and natural it is to add a little referential sidebar to the stories we tell I started work in January I remember because the Bills had just lost the Super Bowl the fourth one On a broader scale sports have left their imprint on the stony history of the nation Beginning slowly with a game of bowls 1611 something like miniature golf in New England 1652 horse racing on Long Island and billiards in Charlestown 1722 the sporting life then gained momentum and a firmer grip on the national conscience with the early play of baseball basketball and football games that would come to dominate the sports scene in 20th century America Organized by day of the year this volume provides the browser the trivia buff and the sports historian a record of thousands of frames matches series and championships Whether it s the day a bases loaded walk gave the National League its 16th All Star victory in 17 seasons July 17 1979 or the day Harvard defeated Yale and Brown in the first ever intercollegiate regatta July 26 1859 there s something new buried within the tome s 365 layers for even the most knowledgeable fans      **IOT with Smart Systems** Tomonobu Senjyu, Parakshit Mahalle, Thinagaran Perumal, Amit Joshi, 2022-01-05 This book gathers papers addressing state of the art research in all areas of information and communication technologies and their applications in intelligent computing cloud storage data mining and software analysis It presents the outcomes of the Fifth International Conference on Information and Communication Technology for Intelligent Systems ICTIS 2021 held in Ahmedabad India The book is divided into two volumes It discusses the fundamentals of various data analysis techniques and algorithms making it a valuable resource for researchers and practitioners alike      *Newsweek*, 1954-09      Proceedings of the Conference on the World Climate Research Programme: Achievements, Benefits and Challenges World Meteorological Organization, 1998      **Dairy World**, 1893      **Motor Age**, 1928      *Kiplinger's Personal Finance*, 1999-03 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics  
*Baseball's Last Golden Age, 1946-1960* J. Ronald Oakley, 1994 The place was post World War II America and baseball was entering its last Golden Age Fans flocked to the ballparks or tuned in on their television sets to catch the heroics of some of the greatest players the game has ever known Men like Joe DiMaggio Stan Musial Willie Mays and Mickey Mantle could be seen hitting pitching and catching their way to the Hall of Fame But just like the rest of post war America baseball was experiencing change The rise of the specialized relief pitcher and the increased emphasis on the home run worked to alter the game on the field Off the field the baseball players themselves were changing Players were becoming better educated

and more vocal and were demanding better pay Many no longer played the game for fun It was a time of social change as Jackie Robinson broke baseball's color barrier and opened the door for other black players to join what had previously been an all white game It was a time too when the national pastime was being transformed by television competition from football and other spectator sports dramatic declines in attendance and the first movement of franchises in fifty years From dramatic pennant races to the spread of night games this account covers every facet of baseball's last Golden Age     **Kiplinger's Personal Finance** ,1999-06 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics     The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light,2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
