wouldn't last because the most powerful forces running our world would not allow it to. They wanted control over our clicks, our conversations, our dollars, our work, our votes, our lives. The only way that we could beat those systems would be to resist the calls to keep moving and to go back to normal. In order to change, we had to unsubscribe. Now in *Please Unsubscribe*, Thanks Gambuto gives us a radical blueprint for the ways we can take a deep breath, renew, and commit to a life that we really want individually and collectively, from unsubscribing to emails and automated subscriptions to reevaluating the presence of people and ideas and habits that no longer serve us or make us happy. Infused with the practical advice in James Clear's *Atomic Habits* and the humor of Sarah Knight's *The Life Changing Magic of Not Giving a F*, this groundbreaking guide helps us focus on where we find joy in our lives and encourages us to toss out what doesn't bring us joy in this modern world.
