Practical Discourses On Regeneration in Ten Sermons to Which Is Added the Scripture Doctrine of Salvation by Grace Through Faith by Philip Doddridge offers profound insights into the core tenets of Christian belief. This collection of ten sermons explores the concept of regeneration, a transformative process central to Christian theology. Doddridge elucidates the scripture doctrine of salvation through grace, emphasizing the pivotal role of faith in achieving spiritual renewal. These discourses provide practical guidance on experiencing and understanding regeneration, making them valuable for both theological scholars and individuals seeking spiritual growth. Doddridge's accessible writing style and deep understanding of scripture make these sermons a timeless resource for exploring the profound themes of faith, grace, and salvation. Excerpt from *Practical Discourses on Regeneration*: The word salvation necessarily suggests the idea of some existing evil from which deliverance has either been effected or is required. In its simple primary meaning, it has no exclusive reference to

one description of evil or of deliverance more than to another But in general use it has become so very much appropriated to the deliverance revealed by the gospel that we are apt to feel as if it were desecrated when we hear it applied to any preservation or rescue whether personal or national of a merely secular and temporary nature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
