VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year in review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

**Xbox Series X User Guide** Eugene L. Roden, 2025-12-07 Have you ever wondered if you're really getting the full potential out of your Xbox Series X? Are you still guessing your way through settings, network options, and performance tweaks, while others enjoy smoother gameplay, faster loads, and flawless graphics? Imagine turning on your console and knowing exactly how to optimize every feature without confusion or wasted time. The Xbox Series X User Guide is your complete roadmap to mastering Microsoft's most powerful gaming console. This isn't just another setup manual; it's a clear, expertly written guide that takes you beyond the basics. Whether you're a new owner or a long-time gamer, you'll discover how to fine-tune your system, enhance your gaming performance, and unlock advanced features most users don't even know exist. Unlike generic tutorials or scattered online advice, this book provides a clean, step-by-step structure covering everything from initial setup and interface navigation to network optimization, display calibration, and hidden system tools. It bridges the gap between simplicity and mastery, written in a friendly, human tone that makes even the most technical settings easy to understand. What sets this book apart? It's crafted for real-world use. Every page focuses on practical solutions, visual clarity, and professional insights, tested on the actual Xbox Series X. It's not filled with jargon or unnecessary fluff; just precise, results-driven instruction that helps you enjoy your console like it was meant to be used. Here's what you'll discover inside: 1. Step-by-step setup guidance for connecting, configuring, and optimizing your console straight out of the box. 2. In-depth Game Pass and Cloud Gaming tutorials, stream download, and manage games efficiently like a pro. 3. Advanced performance tuning.
