Baseball, Golf, Wars, Women & Puppies Buck Peden, 2011-08-10 I started my autobiography Baseball Golf Wars Women Puppies with a grabber page from my first trip to the Vietnam War on board the USS PERKINS DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few years later Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20

years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago *The Baseball Business* James Edward Miller,1991-04 Draws on the experiences of the Baltimore Orioles to trace the development of the baseball business since 1950 **Sports Capitalism** Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials **Business Week** ,2000 *TV Guide* ,1996 **The Business of Sports** Scott Rosner,Kenneth Shropshire,2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today s sports business leaders It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management marketing finance information technology accounting ethics and law Each chapter features concise introductions a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics Adweek's Marketing Week ,1990-03 Congressional Record United States.
