BUYER JOURNEY TIPS

BUY

Awareness Stage: Focus content on buyers' pain points – not your product or brand.

Consideration Stage: When creating content for this stage, I recommend that B2B brands speak the language of the C-suite. This is the stage where executives will need to approve business cases and budget. Either way, B2C brands can benefit on nurturing consumers with engaging content.

Decision Stage: It's time to get brand-specific with your content: Product features and demos, customer testimonials. Also, simplify payment methods for prospects ready to buy.
