DR. JOHN SMITH, REGISTRATION COMMITTEE

College of Psychologists of Ontario
110 Eglinton Avenue West, Suite 500
Toronto, ON M4R 1A3

Dear Dr. Smith,

I am writing to formally express my interest in continuing my professional affiliation with the College of Psychologists of Ontario (CPO). As a licensed clinical psychologist and a professor of psychology at the University of Toronto, I have devoted my career to the advancement of psychological science and the promotion of mental health.

Throughout my career, I have engaged in a diverse array of activities that reflect my commitment to the field of psychology. My academic work has focused on the intersection of personality and behavior, and I have published numerous peer-reviewed articles and books that have contributed to our understanding of these complex issues. Additionally, my clinical practice has allowed me to work directly with individuals suffering from a wide range of psychological difficulties, providing me with practical insights that I have integrated into my research and teaching.

My affiliation with the CPO has been instrumental in guiding my professional development. The standards set by the CPO ensure that we, as psychologists, adhere to the highest ethical and professional guidelines. I value the CPO's role in maintaining these standards and in fostering a community of professionals dedicated to continuous improvement and public service.

In recent years, I have also expanded my outreach through public speaking and online platforms, aiming to bring psychological insights to a broader audience. This public engagement has underscored the importance of maintaining rigorous professional standards while communicating complex psychological concepts in an accessible manner.

As I look to the future, I am eager to continue contributing to the CPO's mission. I am committed to upholding the principles and standards that the CPO represents, and I am enthusiastic about the possibility of playing a more active role within the organization. I believe that my experience, both in clinical practice and in academia, positions me well to support the CPO's objectives and to advocate for the profession of psychology.

Thank you for considering my application. I am looking forward to the opportunity to further discuss how I can contribute to the ongoing success of the College of Psychologists of Ontario.

Yours sincerely,
Jordan B. Peterson
Professor of Psychology
