Hockey Fight in Canada David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada. The decision was met with equal parts fascination, shock, and anger. When CBC rank-and-file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada, a move that could have saved some of their jobs, their disappointment turned to outrage. This is also a story of great irony as the win proved to be costly for the victor in the first years. When Rogers sealed the \$5.2 billion twelve-year deal, it looked like the audacious play might just pay off. The Toronto Maple Leafs, with the biggest fan base in the country, appeared ready to shake off years of mediocrity and become playoff contenders, drawing legions of fans to Rogers's broadcasts in the process. In anticipation, Rogers gave Hockey Night in Canada a facelift, bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean. However, in January 2014, the Maple Leafs crashed hard, and so did the ratings for Hockey Night in Canada. It was crushing news for Rogers, with cable cutting already shaping into an existential threat. On top of everything, Strombo bombed as host, and the network had to bring MacLean back. Then things got even worse: by the middle of the 2015-16 season, the rest of the seven Canadian NHL teams missed the playoffs, and ratings fell further, chasing away even more advertising dollars. Simultaneously, viewing habits were changing so quickly no one could predict what would happen next year, let alone in the next decade. Shoalts covers this story from the beginning, and *Hockey Fight in Canada* details every fascinating play in this intersection of sports and business. *Hockey Doc* Dr David S Mulder, Dr Douglas G Kinnear, 2021-03-09 The Western Division of the Montreal General Hospital was so close to the Forum that Montreal Canadiens players could put on skate guards and walk to the hospital's emergency room. This was not a coincidence and established proximity as a priority. Dr Douglas Kinnear supported twelve Stanley Cup-winning Montreal Canadiens squads as team physician. Dr David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups. In *Hockey Doc*, these two legendary team physicians explore the dynamic doctor-player relationship they came to know so well, with a look at more than fifty years of medical care provided to the hockey club. *Hockey Doc* examines how the medical program for the Montreal Canadiens has evolved over its history due to its long-standing relationship with the MGH and the Molson family. The doctors' breakdown major injuries with real-life examples that every team physician needs to be aware of and share career highlights. Featuring stories about Saku Koivu, Trent McCleary, Patrick Roy, Maurice Richard, Gump Worsley, Bobby Orr, Lou Lamoriello, and journalist Red Fisher among countless others, *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the evolution of sports medicine throughout two MGH doctors' careers. For hockey fans of all ages and the Quebec medical community, *Hockey Doc* shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses these doctors have faced over their storied careers. **Routledge Handbook of Sport**

Stigma Cities Jonathan Foster, 2018-09-27 Growing up in Birmingham, Alabama, a city that he loved, Jonathan Foster was forced to come to grips with its reputation for racial violence. In so doing, he began to question how other cities dealt with similar kinds of stigmas that resulted from behavior and events that fell outside accepted norms. He wanted to know how such stigmas changed over time and how they affected a city's reputation and residents. Those questions led to this examination of the role of stigma and history in three very different cities: Birmingham, San Francisco and Las Vegas. In the era of civil rights, Birmingham became known as Bombingham, a place of constant reactionary and racist violence. Las Vegas emerged as the nation's most recognizable Sin City, and San Francisco's tolerance of homosexuality made it the perceived capital of Gay America. *Stigma Cities* shows how

cultural and political trends influenced perceptions of disrepute in these cities and how in turn their status as sites of vice and violence influenced development decisions from Birmingham's efforts to shed its reputation as racist to San Francisco's transformation of its stigma into a point of pride to Las Vegas's use of gambling to promote tourism and economic growth. The first work to investigate the important effects of stigmatized identities on urban places Foster's innovative study suggests that reputation no less than physical and economic forces explains how cities develop and why. An absorbing work of history and urban sociology the book illuminates the significance of perceptions in shaping metropolitan history. *ESPN Sports Almanac 1999* Gerry Brown, Michael Morrison, 1998-11-05 ESPN has taken the original Information Please Sports Almanac known for its thorough stats compelling facts and commentary and added ESPN's unique voice point of view and contributions of network personalities.
