Social Media Marketing on Instagram. Exploration of Strategic Perspectives Lisa Jessen, 2018-06-20 Master's Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1-7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world's leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram's combination of emotional visual content story telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new

application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple case study design The framework and the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group

Battlegrounds H. R. McMaster, 2020-09-22 New York Times Bestseller Now with new text from McMaster addressing the January 2021 assault on the U S Capitol and recommending how citizens across the free world can work together to restore confidence in democratic institutions and processes From Lt General H R McMaster U S Army ret the former National Security Advisor and author of the bestselling classic *Dereliction of Duty* comes a bold and provocative re examination of the most critical foreign policy and national security challenges that face the United States and an urgent call to compete to preserve America s standing and security Across multiple administrations since the end of the Cold War American foreign policy has been misconceived inconsistent and poorly implemented As a result America and the free world have fallen behind rivals in power and influence Meanwhile threats to security freedom and prosperity such as nuclear proliferation and jihadist terrorism have grown In *BATTLEGROUND* H R McMaster describes efforts to reassess and fundamentally shift policies while he was National Security Advisor And he provides a clear pathway forward to improve strategic competence and prevail in complex competitions against our adversaries *Battlegrounds* is a groundbreaking reassessment of America s place in the world drawing from McMaster s long engagement with these issues including 34 years of service in the U S Army with multiple tours of duty in battlegrounds overseas and his 13 months as National Security Advisor in the Trump White House It is also a powerful call for Americans and citizens of the free world to transcend the vitriol of partisan political discourse better educate themselves about the most significant challenges to national and international security and work together to secure peace and prosperity for future generations
