Holiday Gift Guide Memes Today Tips:

Opposable Thumbs Matt Singer, 2023-10-24 Once upon a time if you wanted to know if a movie was worth seeing you didn't check out Rotten Tomatoes or IMDB You asked whether Siskel Ebert had given it two thumbs up On a cold Saturday afternoon in 1975 two men who had known each other for eight years before they'd ever exchanged a word met for lunch in a Chicago pub Gene Siskel was the film critic for the Chicago Tribune Roger Ebert had recently won the Pulitzer Prize the first ever awarded to a film critic for his work at the Chicago Sun Times To say they despised each other was an understatement When they reluctantly agreed to collaborate on a new movie review show with PBS there was at least as much sparring off camera as on No decision from which films to cover to who would read the lead review to how to pronounce foreign titles was made without conflict but their often antagonistic partnership which later transformed into genuine friendship made for great television In the years that followed their signature Two thumbs up would become the most trusted critical brand in Hollywood In *Opposable Thumbs* award winning editor and film critic Matt Singer eavesdrops on their iconic balcony set detailing their rise from making a few hundred dollars a week on local Chicago PBS to securing multimillion dollar contracts for a syndicated series a move that convinced a young local host named Oprah Winfrey to do the same Their partnership was cut short when Gene Siskel passed away in February of 1999 after a battle with brain cancer that he'd kept secret from everyone outside his immediate family including Roger Ebert who never got to say goodbye to his longtime partner But their influence on in the way we talk about and think about movies continues to this day **A Very Merry Holiday Movie Guide**
