Then an idea began to take shape at the back of his mind...wouldn't it be great to play a trick like that on his sisters? They were so boring and it would liven things up a bit! Josh started to formulate a plan ready to execute the next day, Sunday.

As usual, his sisters, Zoe and Carla, stayed in bed late on Sunday morning. This gave him time to think and gather together everything he needed for his plot. Sunday lunch was going to be the usual roast at one o'clock but this was going to be a lunch like no other!

This week, roast beef, roast potatoes, Yorkshire puddings, broccoli and carrots were on the menu. Pudding was to be apple crumble and custard. Josh knew that both his sisters were great fans of custard and always smothered their desserts with it.

He decided he would stir some PVA glue into the custard which would give his sisters a really sticky shock!
