Reams have been written about the Mona Lisa as the painting is called by the British and Americans and the Gioconda as it is known to the Italians and French But less known are the events affections and social relations that took place in the life of Leonardo s presumed model for the painting She was a young woman from Florence already the mother of several children generous and noble in spirit according to her husband For centuries as the Florentine art historian Giorgio Vasari claimed the Mona Lisa was considered the portrait of Lisa Gherardini the wife of Francesco del Giocondo but the theft of the painting from the Louvre in 1911 and the press campaign that followed ended by bringing the identity of the woman into question fueling a debate that is still ongoing The accounts and documents referred to in this book clarify the question as a result of which it is difficult not to side with Vasari s supporters that the lady in question was actually Mona Lisa Gherardini The main characters in this story are Lisa her husband Francesco and Leonardo da Vinci The setting is Renaissance Florence a city still

rich and home to cultural and artistic movements of international renown The book is in two parts the first tells the political and cultural history of Florence the second is a small fresco of life in the city in which the lives of Lisa Gherardini and Francesco del Giocondo cross with those of other famous Florentines BOOK JACKET **Frommer's Austria** Darwin Porter,Danforth Prince,2007-04-23 You ll never fall into tourist traps when you travel with Frommer s It s like having a friend show you around taking you to the places locals like best Our expert authors have already gone everywhere you might go they ve done the legwork for you and they re not afraid to tell it like it is saving you time and money No other series offers candid reviews of so many hotels and restaurants in all price ranges Every Frommer s Travel Guide is up to date with exact prices for everything dozens of color maps and exciting coverage of sports shopping and nightlife You d be lost without us Come along with Frommer s and discover some of Europe s most spectacular scenery from the towering peaks of the Alps to the dazzling baroque architecture of Vienna and Salzburg Frommer s offers up to date coverage of all of Austria s highlights Mozart festivals skiing hiking cafes castles imperial palaces alpine villages Danube River towns and more Inside you ll find candid detailed reviews of the very best dining and accommodations accurate color maps and insider tips on shopping We offer a wealth of sightseeing sports strolls and special moments from highlights for the first time visitor to off the beaten track discoveries that will impress even the most seasoned traveler Sales Promotion Essentials Don E.
