Nba Preseason Tricks:

Chicago Tribune Index ,1995 **Magic in the Air** Mike Sielski,2025-02-11 Who doesn't wanna read an entire book about the slam dunk I love basketball Ann Patchett The definitive dunking dissertation Jack McCallum Wall Street Journal From the author of the bestselling Kobe Bryant biography The Rise comes the legend of the most powerful shot in basketball the slam dunk The evolution of basketball and much of the social and cultural change in America can be traced through one powerful act on the court the slam dunk The dunk's history is the story of a sport and a country changed by the most dominant act in basketball and it makes Magic in the Air a rollicking and insightful piece of narrative history and a surefire classic of sports literature When basketball was the province of white men the dunk acted as a revolutionary agent a tool for players like Wilt Chamberlain and Bill Russell to transform the sport into a Black man's game The dunk has since been an expression of Black culture amid the righteous upheaval of the civil rights movement of the threat that Black people were considered to be to the establishment It was banned from college basketball for nearly a decade an attempt to squash the individual expression and athleticism that characterized the sport in America's cities and on its playgrounds The dunk nevertheless bubbled up to basketball's highest levels From Julius Erving to Michael Jordan to the high flyers of the 21st century the dunk has been a key mechanism for growing the NBA into a global goliath Drawing on deep reporting and dozens of interviews with players coaches and other hoops experts Magic in the Air brings to life the tale of the dunk while balancing sharp socio-racial history and commentary with a romp through American sports and culture There's never been a basketball book quite like it [The Ultimate Celebrity Address & Phone Book - autograph collecting and media guide](#) Cord G. Grizzlies Hardwood Ron Higgins, 2006 One of Memphis's top media personalities provides tales about the Grizzlies move to Memphis from Vancouver and how in such a short time the franchise has gone from being one of the NBA's worst to a playoff team through bold moves that have earned instant respect in the league and city In addition the book provides readers with stories from and about prominent names like general manager Jerry West head coaches Hubie Brown and Mike Fratello and players such as Shane Battier Pau Gasol Mike Miller and Lorenzen Wright

When Nothing Else Matters Michael Leahy, 2004-11-09 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one had before Powered by a potent mix of charisma nearly superhuman abilities and a ferocious need to dominate the game he won six NBA championships with the Chicago Bulls and captured every basketball award and accolade conceivable before retiring and taking a top executive post with the Washington Wizards But retirement didn't suit the man who was once king and at the advanced age of thirty eight Michael Jordan set out to reclaim the court that had been his dominion When Nothing Else Matters is the definitive account of Jordan's equally spectacular and disastrous return to basketball Having gone on the road to chronicle Jordan's final two seasons award winning Washington Post writer Michael Leahy draws a riveting portrait of a deeply complex man waylaid by his impulses and impatience frequently hampered by injuries assaulted by younger players eager to usurp his throne and ultimately done in by his presumption Encouraged for two decades by his sport's magnates to believe that he had no limits or superiors Jordan could not see his influence and power fading as his Wizards days ticked down and his team's losses and dissension grew For teammates and outsiders alike the star emerged as a relentlessly driven at times unapproachable personality Leahy reveals the striking contrast between Jordan's public image and the man who couldn't stand not being it Hell bent on transforming the mediocre Wizards into championship contenders Jordan controlled every facet of his new team dispensing orders behind the scenes to coaches and players As his anger and bitterness over Washington's on court setbacks became increasingly public his teammates resentment of him stoked already burgeoning tensions between Jordan and the Wizards top brass Leahy unmask the myths and unravels the deeper lessons behind the highs and lows of the two seasons illuminating the excruciating reality Jordan was forced to accept after the Wizards failed playoff bid in his final season When Nothing Else Matters is about nothing less than a man struggling to come to grips with the end of a career and the uncertainty of his life ahead
