Deceptions and Doublecross Morey Holzman, Joseph Nieforth, 2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder's iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It's a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991-99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city's own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill's reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about
