# Popes Teachers And Canon Law In The Middle Ages

**G Psacharopoulos**

## **Popes Teachers And Canon Law In The Middle Ages:**

**Popes, Teachers, and Canon Law in the Middle Ages** James Ross Sweeney, Stanley Chodorow, 1989 This book of essays honors Brian Tierney Pref **The Cambridge History of Medieval Canon Law** Anders Winroth, John C. Wei, 2022-01-27 Canon law touched nearly every aspect of medieval society including many issues we now think of as purely secular It regulated marriages oaths usury sorcery heresy university life penance just war court procedure and Christian relations with religious minorities Canon law also regulated the clergy and the Church one of the most important institutions in the Middle Ages This Cambridge History offers a comprehensive survey of canon law both chronologically and thematically Written by an international team of scholars it explores in non technical language how it operated in the daily life of people and in the great political events of the time The volume demonstrates that medieval canon law holds a unique position in the legal history of Europe Indeed the influence of medieval canon law which was at the forefront of introducing and defining concepts such as equity rationality office and positive law has been enormous long lasting and remarkably diverse

**Popes, Canonists and Texts, 1150-1550** Kenneth Pennington, 2024-10-28 Several different approaches to medieval legal history are evident in these articles The first group uses law to investigate the principles that governed society whether clearly articulated or not and to ask how the intellectual structures of the ius commune affected the institutions of government and the presuppositions of the people The second group of articles illustrates the importance of returning to the manuscript sources of later medieval texts rather than relying on the early printed editions In both parts Professor Pennington also focuses on the lives of individual jurists contending that these provide a key to the understanding of their thought their position in society and the connections between the two One of these articles is published for the first time here while a number of others have been revised and up dated for publication Plusieurs approches diff rentes l histoire l gale du Moyen Age sont refl t es au travers de ces articles Le premier groupe se sert de la loi pour explorer les principes qui gouvernaient la soci t que ceux ci soient clairement exprim s ou non et afin de demander comment les structures intellectuelles de l ius commune affectaient les institutions gouvernementales et les pr suppositions du peuple Le second groupe illustre l importance du retour aux sources manuscrites des textes m di vaux tardifs plut t que de se fier des impressions anciennes Au travers des deux parties du volume le professeur Pennington se concentre aussi sur la vie de certains juristes avan ant qu il s agit l d une des clefs permettant de comprendre leur pens e leur place dans la soci t et le rapport entre ces deux facteurs Un des articles est publi ici pour la premi re fois alors qu un certain nombre d autres ont t r vis s et mis jour pour leur r impression **Die Päpste von Avignon und der Hundertjährige Krieg** Andreas Willershausen, 2014-04-02 Die vorliegende Monographie untersucht erstmals die umfangreichen Bem hungen der P pste den Hundertj hrigen Krieg 1337 1453 zwischen den K nigen von England und Frankreich zu beenden Die r mische Kurie welche sich im 14 Jahrhundert an der franz sischen Grenze in Avignon befand hatte ein personelles wie finanzielles Interesse daran

die Kampfhandlungen zu beenden Der Frieden zwischen den christlichen Königreichen als Voraussetzungen eines erfolgreichen Kreuzzuges war das prägnanteste Argument welches die obersten Hirten in ihren Friedensappellen in die Waagschale warfen Nach einer Entscheidung Benedikts XII 1334-1342 bemühten sich die Päpste nicht mehr wie früher darum autoritär Waffenstillstände aufzuerlegen sondern waren an einer Akzeptanz als neutrale Schlichter *mediatores et amicos communes* interessiert Eine Vielzahl hochkarätiger Gesandter von Kardinal bzw Bischofsrang brach von Avignon auf um notfalls in der letzten Minute mit dramatischen Gesten des Friedens im Vorfeld einer drohenden Schlacht zu vermitteln Das Ziel der auf diese Weise dargebotenen Wege des Friedens *Viae pacis* war der Abschluss von Waffenstillständen anschließend der Besuch von Friedensverhandlungen an der der Kurie von Avignon oder anderswo unter der persönlichen Vermittlung des obersten Pontifex oder seiner Stellvertreter Zwar konnten die Päpste bis zu ihrer Rückkehr nach Rom keinen endgültigen Frieden stiften doch gelang es ihnen zwischen den Kontrahenten Waffenruhen und Friedensschlüsse von 23 Jahren auszuhandeln Der Autor sieht sein Werk in der Tradition von Studien zur Diplomatie des Mittelalters Es gelang ihm auf einer breiten Grundlage internationaler ungedruckter archivalischer Quellen das System der päpstlichen Friedensvermittlung einer umfassenden Neubewertung zu unterziehen Ein diachroner Vergleich sämtlicher Fallbeispiele nach konfliktgeschichtlichen Merkmalen rundet das Werk ab

*The Reception of Papal Legates in England, 1170-1250* Emil Lauge Christensen, 2025-04 Considers the reception of legatine missions to England during a significant period in the development of Anglo-Papal relations Papal legates as the most powerful representatives of the pope wielded significant influence in establishing and upholding papal authority throughout Christendom The adventus the elaborate ceremony of lordship on their arrival provided a reception to mark their status While the ceremony was ostensibly a straightforward display of power communicating the lordship and authority of the papal legate and a tool for establishing negotiating and gauging the relationship between the pope and other European powers it was also susceptible to manipulation and distortion This book investigates how four chroniclers Roger of Howden Gervase of Canterbury Roger of Wendover and Matthew Paris observed and interpreted such legatine adventus ceremonies in England in the twelfth and thirteenth centuries These writers aware of the curia's view that the reception of a papal legate signified acquiescence to papal authority and hegemony offer a range of responses from ridicule to praise Drawing on chronicles customaries decretals and other sources it sheds new light on the intricate interplay between the expectations of both the papacy and the legates and the diverse viewpoints found in the response of English writers

Rom und die Regionen Jochen Johrendt, Harald Müller, 2012-08-31 Die Phase von der papstgeschichtlichen Wende ab der Mitte des 11. Jahrhunderts bis zu Innozenz III bewirkte eine Wandlung der Kirche weg von einer kollegial organisierten Bischofskirche hin zu einer hierarchisch ausgerichteten Papstkirche Der Band analysiert diese Entwicklung in unterschiedlichen Regionen Europas und stellt die scheinbare Teleologie der Entwicklung in den Zusammenhang von Geben und Nehmen zwischen Rom und den Regionen Die Homogenisierung der lateinischen Kirche ihre Ausrichtung an einem p

pstlich approbierten Normengef ge stellt sich in dieser Perspektive nicht als ein von Rom umgesetzter Masterplan dar sondern als das Ergebnis eines Dialoges der nicht nur Rom sondern ebenso die europ ischen Regionen pr gte The Profession and Practice of Medieval Canon Law James A. Brundage,2024-10-28 This latest collection of studies by James Brundage deals with the emergence of the profession of canon law and with aspects of its practice in the period from the 12th to the 14th centuries Substantial numbers of lawyers systematically trained in canon law first appeared in Western Europe during the second half of the 12th century and in the 13th they began to dominate the hierarchy of the Western church By 1250 canon law had grown into something more than a profitable occupation it had become a recognizable profession in the strict meaning of the term as it is still used today University law faculties trained aspiring canonists in the mysteries of their craft and put them through intellectually demanding exercises that terminated in a formal examination before they received their degrees Judges in church courts formally admitted them to practice after verifying their educational qualifications and administered prescribed rules of conduct Particular topics are the canonists system of legal ethics the education and training of canon lawyers in university law faculties and some fundamental features of the professional practice of canon law both in medieval Europe and in the crusading states of the Levant **Medieval Canon Law** James A Brundage,2014-06-11 It is impossible to understand how the medieval church functioned and in turn influenced and controlled the lay world within its care without understanding the development character and impact of canon law its own distinctive law code However important this can seem a daunting subject to non specialists They have long needed an attractive but authoritative introduction avoiding arid technicalities and setting the subject in its widest context James Brundage s marvellously fluent and accessible book is the perfect answer it will be warmly welcomed by medievalists and students of ecclesiastical and legal history **Gesandtschafts- und Botenwesen im spätmittelalterlichen Europa** Konstanzer Arbeitskreis für Mittelalterliche Geschichte. Frühjahrstagung,2003 Papers presented at the Freuhjahrstagung of the Konstanzer Arbeitskreis feur mittelalterliche Geschichte April 3 6 2001 Reichenau Island **Die Urkunden der päpstlichen Legaten von Leo IX. bis Coelestin III. (1049-1198)** Stefan Weiss,1995 **Pope Innocent 3rd 1160/61-1216** John Clare Moore,2003-01-01 This book is a concise and balanced biography of Innocent III While giving the student and general reader a good sense of this pope and the medieval papacy it can also provide insights for scholars well versed in his pontificate **Geschichte des Kardinalats im Mittelalter** Jürgen Dendorfer,Ralf Lützelschwab,2011 English Society in the Later Middle Ages Stephen Henry Rigby,1995 What was the social structure of England in the period 1200 to 1500 What were the basic forms of social inequality To what extent did such divisions generate social conflict How significantly did English society change during this period and what were the causes of social change Is it useful to see medieval social structure in terms of the theories and concepts produced within the medieval period itself What does modern social theory have to offer the historian seeking to understand English society in the later middle ages These are the

questions which this book seeks to answer      **The Comprehensive Guide to International Law** Marc Cogen, 2008 Cogen international law Ghent U Belgium presents an overview of the history and current status of international law Chapters discuss the sources of international law the history of international law states and territories the rights and responsibilities of states the global commons international organizations the individual diplomatic and consular law the law of treaties and the laws regarding armed activities The focus of the work is on the straightforward presentation of the principles and rules of international law in these key areas      *AFER.* ,2007      Studies and Texts - Pontifical Institute of Mediaeval Studies ,1955

**A History of the Papacy During the Period of the Reformation** Mandell Creighton, 1882      **A History of the Papacy During the Period of the Reformation: The Great Schism. The Council of Constance. 1378-1418** Mandell Creighton, 1882      **Zeitschrift der Savigny-Stiftung für Rechtsgeschichte** ,1999      **Römische historische Mitteilungen** ,2008
