**Robert E. Lee** Allen C. Guelzo, 2021-09-28 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty *Biography by Americans, 1658-1936* Edward H. O'Neill, 2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals **Great Military Leaders** William T. Worthington, 2002 Great Military Leaders A Bibliography with Vignettes Popular Life of General Robert Edward Lee Emily V. Mason, 1872 *The Life and Letters of Robert E. Lee (Abridged)* Robert E. Lee, 1906-01-01 While I wish to do what is right I am unwilling to do what is wrong either at the bidding of the South or the North One of their plans seems to be the renewal of the slave trade That I am opposed to on every ground I can anticipate no greater calamity for the country than a dissolution of the Union From his early career through his time as President of Washington College here is Robert E Lee in his own words Compiled by Reverend J William Jones who served with Lee in the Civil War and as chaplain of Washington College the letters are combined with a narrative that places them in time and context One of the striking characteristics of Lee is his great warmth and affection for his children This courtly and aristocratic man was openly loving in his letters to them Included are letters written from participation in the capture of John Brown the Mexican War Gettysburg his speculations on Grant's moves directions to other generals as the war is being lost the surrender and his life after the war For the first time this lovely volume is available in an affordable well formatted Kindle book Be sure to LOOK INSIDE or download a sample **Bibliotheca Americana.
