Deadly Inheritance André, Alix, 1980 **Spirituality in John's Gospel** Gabriel-Mary Fiore CSJ, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of

research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality *Storm Over Ibiza* Roleine, Roberta, 1980 *The Femme Mystique* Lesléa Newman, 1995 A celebration of the sensuality and sexuality of lesbian femmes *The Family Experience* Mark Hutter, 1997 This anthology examines the cultural diversity of the American family by providing a range of relevant articles integrating race class gender and ethnicity Taken as a whole these readings reveal both historical trends and unique variations that widen our understanding of the diversity patterns and dynamics of the American family The readings avoid jargon and sophisticated statistical techniques making them easily accessible for students Each selection is accompanied by a brief introductory statement that highlights its sociological significance and contains an introductory essay focusing on pertinent issues and concerns The fourth edition includes 19 new readings on topics including Internet dating the Internet and family relations wives and families of professional baseball players the depiction of fathers in comic books single parenthood by choice divorce and fatherhood **Educational Film & Video Locator of the Consortium of College and University Media Centers and R.R. Bowker** Consortium of College and University Media Centers, 1990 *The New York Times Index*, 1997 *Catalogue of Printed Books* British Museum, 1894 *British Museum Catalogue of printed Books*, 1894 *The Athenaeum*, 1910 **Betty Friedan and the Making of the Feminine Mystique** Daniel Horowitz, 2000 A biography of feminist Betty Friedan including her childhood in Illinois her wartime years at Smith College and Berkeley and her decade long career as a writer
