Portraits Of A City Father:

A Portrait of Jesus T. A. Prickett, 2010-08-03 The impulse to publish these sermons came to me after I had successfully published my book *For Our Age of Anxiety* based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus **Portrait and Biographical Album of Rock Island County, Illinois** ,1885

Portrait and Biographical Record of St. Clair County, Illinois ,1892 Cheesecloth Pru Sowers, 2006-04 Pru Sowers gave up a professional dance career for a life of sloth and malfunction a move she has never regretted Forced to find gainful employment at the age of 49 Sowers became a reporter for the weekly newspaper in Provincetown Massachusetts and conducts all her interviews at a rotating selection of local watering holes Based on her philosophy that everybody on the planet is interesting for no more than 10 minutes these 10 stories take both superficial snapshots and deep unconvincing looks at a variety of characters who while they may be crazy as doonbugs are always lovable A fun read Professor Petey Edgerton What a gal Frances McIntyre Why can t I write like this William Shakespeare She can write but she sure can t cook Avoid the tomato pudding at all costs Julia Child What are you talking about The tomato pudding is fantastic Chef Guy Bonnet pron Bonn ette *Al Smith: Hero of the Cities (A Political Portrait Drawing on the Papers of Frances Perkins)* Matthew Josephson, Hannah Josephson, 2019-10-28 Al Smith 1873 1944 was born and grew up in New York s Lower East Side slums and got his start in politics under Tammany Hall sponsorship Frances Perkins was a New Englander a trained social worker who became a public figure when Smith appointed her to the New York State Industrial Commission They shared a concern for working people and a love for the Empire State which Smith served as governor for four precedent breaking terms between 1919 and 1928 after serving in the New York State Assembly between 1904 and 1915 as a member and later as Speaker Smith considered himself an Assemblyman His record as governor is based on the solid understanding of politics he acquired in those years It was also fostered by his encounter at a decisive stage with a group of reformers and social workers including Belle Moskowitz who became his chief political strategist Smith s own great contribution was to show how reform

could be made practicable As governor Smith fought a running battle with an obstructive legislature he was able to reorganize New York State s sprawling executive departments protect women and children in industry strengthen workmen s compensation laws and shorten their working hours stop the handouts of state resources to private companies and expand recreational areas for the benefit of the public He cut taxes while building hospitals schools and low cost housing developments When the legislature balked he appealed to the people on radio and they responded with avalanches of letters and telegrams to their representatives The dauntless spirit with which he battled his adversaries earned him the title The fighting Governor After his defeat for the Presidency in 1928 Smith was able to hand on to his successor a comparatively inexperienced politician named Franklin D Roosevelt a working state government and a blueprint for social reform which Roosevelt would put to good use At the time of her death in 1965 Frances Perkins was working on a book about Al Smith as she knew him Her notes the few chapters she had written and the oral history she recorded for Columbia University were turned over to Matthew and Hannah Josephson who used them and their own exhaustive research to write this biography The Josephsons both authors in their own right were invited to complete the unfinished biography of Smith that Frances Perkins left behind at her death in 1965 Finding only a rather bare start they ended up writing it 90% themselves The sections on Smith s early years provide a delightful picture of the Old East Side and a thriving Tammany Hall A happily executed portrait of an eminent and engaging American Kirkus Reviews The most thorough study yet available of Smith s career and one that also pays considerable attention to Frances Perkins contributions to reform during the Progressive period and during Smith s gubernatorial administrations a useful biography of Al Smith Joel A Tarr The American Historical Review The book reflects the warmth and vigour of its subject The book s principal contribution is its emphasis on Smith s tremendous effectiveness both as a party leader and as a reformer His quarter century of almost continuous success was founded on exceptional memory intense application a sharp wit and shrewd appeals to the people His enduring monuments are his reform of the state administration his fight against the utilities and his work in housing conservation and social reform Michael Simpson History The Josephsons political portrait is of a man who was at one and the same time an ambitious and successful politician who could skillfully manipulate the party system reward friends and punish enemies hold personal grudges yet temper his actions with genuine humanistic concern for the welfare of the first and second generation immigrants for whom he was both spokesman and symbol John L Shover The Pacific Northwest Quarterly The Josephsons biography is comprehensive providing careful and discerning detail about Smith s life and career William W Bremer The Wisconsin Magazine of History

of *Courage* Gerard B Wegemer, 2009-01-01 One of history's most admired figures and one of the great lawyers and statesmen of all time Thomas More was voted Lawyer of the Millennium by the Law Society of Great Britain and named Patron of Statesmen by John Paul II More combined immense humanistic learning with an unequalled command of the legal and political traditions of Christendom forging a profound philosophy of statesmanship and freedom To this philosophic and cultural achievement More added the virtues of an exemplary husband father and friend and the detachment and interior peace of a saint He thus emerged from the first great crisis of modern tyranny a crisis that would claim his life as the model of a truly free man whose conscience and character no despot can subvert More was canonized in 1935 as Hitler was rising to power and the world needed an example of courage and skill in the face of the greatest of dangers Thomas More A Portrait of Courage by Dr Gerard Wegemer reveals how More prepared himself for the challenges of his life and how he rose to the demands placed upon him in what became one of history's most revolutionary periods Thomas More is more important at this moment than at any moment since his death even perhaps the great moment of his dying but he is not quite so important as he will be in about a hundred years time G K Chesterton 1929 **Portrait and biographical record of Arizona** Chapman Publishing, **Portrait and Biographical Album of Vermilion County, Illinois**, 1889 A Portrait and Biographical Record of Allen and Van Wert Counties, Ohio, Containing Biographical Sketches of Many Prominent and Representative Citizens, Together with Biographies and Portraits of All the Presidents of the United States, and Biographies of the Governors of Ohio, 1896 Portrait and Biographical Record of Leavenworth, Douglas and Franklin Counties, Kansas, 1899
